

2013-2014 FEDERAL DIRECT LOAN INFORMATION SHEET

Federal Direct Stafford (Subsidized and Unsubsidized) and Federal PLUS Loans

The following information on the Federal Direct Loan programs is being provided to you to explain the loan program that is available to you for the 2013-2014 academic year.

ABAC is a participant in the U.S. Department of Education's **WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM**. The federal government is the lender for the students' Stafford Loans and for the parents' PLUS loans. The U.S. Department of Education's Direct Loan Repayment Center will handle repayment of your loan(s) and you will be able to choose a repayment plan that fits your needs. **If you have previously borrowed under the FFELP program**, you will now borrow from the federal government and when you leave school you will be able to consolidate your previous loans directly with the U.S. Department of Education's Direct Loan Repayment Center and make one payment each month. Once you leave school, the point of contact for information about your loan(s) will be 1-800-4FED-AID. The following table shows an estimate of monthly repayment amounts, total interest charges, and the total amount repaid for a Federal Direct Stafford/Ford Loan with an 8% interest rate.

THE FEDERAL DIRECT STAFFORD LOAN allows students enrolled at least half time to borrow money at low interest for educational expenses. There are two types of Federal Direct Stafford/Ford Loans: 1) **Federal Direct Subsidized Stafford Loans**, and 2) **Federal Direct Unsubsidized Stafford Loans**. The Federal Subsidized Direct Stafford Loan is need-based and the interest is subsidized (paid) by the federal government while the student is in school and during the six-month grace period. The unsubsidized loan is not need-based and the interest is not paid by the government. This loan was created for borrowers who do not qualify for federal interest subsidies. The student either pays the interest while in school and during the six-month grace period or it is added to the balance of the loan.

1. Your eligibility for Federal Direct Stafford and Federal Direct PLUS loans is based on the financial and family information that you submitted to our office, your academic status, and the other aid (if any) that you have received. **YOUR AWARD IS SUBJECT TO CHANGE IF ANY OF THE LISTED INFORMATION IS REVISED.**
2. Having your eligibility determined for a Federal Direct Stafford Loan does not commit you to accepting the loan or the amount (you may borrow less than your full eligibility). You are obligated to repay only the amount you borrow.
3. Once we have received and processed your Federal Direct Loan Request Form, you will need to complete the Master Promissory Note on-line at www.dlenote.ed.gov
4. Once the loan is processed, the funds will be disbursed at the beginning of each semester that is included in the loan period.

5. If you are a new borrower at, or transferring to, ABAC, you MUST complete the Entrance Counseling session located on the Department of Education's website at www.ed.gov/directloan. We will not process your Promissory Note unless you have completed the loan counseling process.
6. If you withdraw from school or drop below half-time enrollment (6 hours), transfer to another institution, or graduate, the remaining disbursements of your Federal Direct Loan (if any) will be canceled and exit counseling information will be sent to you. If you plan to return to ABAC, you must re-apply to have your Federal Direct Loans re-instated. Contact the Student Financial Services Office for assistance when your loans have been canceled.
7. Student loans for those undergraduate students who graduate during the Fall term will be prorated if the student is not enrolled full-time (12hours). Your loans will be prorated to 25% of the annual limit for 6 hours and 37.5% for 9 hours.
8. Federal Direct Stafford Loan maximums are \$5,500 per year in the freshman year, \$6,500 per year in the sophomore year, \$7,500 per year in the junior and senior years, with a \$31,500 cumulative total of Subsidized and Unsubsidized loans for all undergraduate study. The cumulative total Federal Direct Subsidized Stafford/Ford Loan amount for undergraduate and graduate study is \$65,500.
9. Independent students and dependent students, whose parents are denied a PLUS Loan, can borrow an additional Federal Direct Unsubsidized Stafford Loan. The maximum additional amount for these students is \$4,000 per year, not to exceed the COA.
10. Federal Direct Subsidized Stafford Loans originated on/or after July 1, 2010 will have a fixed interest rate of 5.6% for undergraduate students and 6.8% for graduate students. Federal Direct Unsubsidized Stafford Loans for undergraduate and graduate students will have a fixed interest rate of 6.8%. There is also a loan fee of .5% that is deducted from each delivery of loan proceeds. This money is passed on to the federal government to help reduce the government's cost of supporting these low-interest loans. Repayment must begin no later than six months following graduation or termination of at least half- time enrollment.
11. **The yearly maximum for the Federal Direct Stafford Loan will cover Fall and Spring and Summer Semesters.** If the maximum has been received over Fall and Spring Semesters, students will not be eligible to borrow additional funds for the Summer. The following Fall Semester would be the next term loan funds would be available. Students can request less on the Federal Direct Stafford Loan application for Fall and Spring and then request the remaining eligibility on the Summer application.

FOR EXAMPLE:

2013-2014 Dependent Freshman \$5500 12-Month Maximum	
Fall Semester 2013	\$2750
Spring Semester 2014	\$2750
Summer Semester 2014	\$ -0-

The **FEDERAL DIRECT PARENT (PLUS) LOAN** is an educational loan for parents of dependent undergraduate students enrolled at least half-time. Financial need is not an eligibility requirement, but good credit is required. Loan eligibility is based on the Cost of Attendance minus other aid received.

1. Parents of dependent students who wish to apply for a Federal Direct PLUS loan may complete the Federal Direct PLUS Loan Request Form and return it to the Student Financial Services Office or complete online on the Department of Education's website at www.ed.gov/directloan. Once the Parent Loan is originated, the Common Origination and Disbursement Center will conduct a credit check on the Parent Borrower. If a Parent Borrower is denied a PLUS loan due to the credit check, the student may borrow under the Federal Direct Unsubsidized Loan Program in its place. Contact the Student Financial Services Office for additional information. Parents must reapply for a PLUS loan each year even if they have previously been denied the loan.
2. Federal Direct Parent (PLUS) Loans originated on/or after July 1, 2006, will have a fixed interest rate of 7.9% for the life of the loan. There are loan fees, up to 4%, that is deducted from each delivery of loan proceeds. This money is passed on to the federal government to help reduce the government's cost of supporting these low-interest loans.
3. The first payment is due within 60 days of the last disbursement for the loan.
4. Federal Direct Parent (PLUS) Loans will be disbursed by the Student Financial Services Office after a Master Promissory Note has been completed on-line.
5. The student financial aid application process must be completed by **ALL** students, even if the only aid being requested is the Federal Direct Parent (PLUS) Loan.
