

Financial Aid Authorize Form

AUTHORIZATION FOR USE OF FINANCIAL AID

You must authorize Abraham Baldwin Agricultural College to use financial aid for payment of educational related expenses other than tuition, fees, room, and board. This authorization is valid from the date of completion through the date of graduation. You have the right to rescind the following authorizations at any time by submitting a withdrawal of consent in writing to the Office of Student Financial Services.

FEDERAL FUNDS AUTHORIZATION

Program regulations permit students to authorize use of Title IV financial aid funds for noninstitutional expenses such as books and supplies, parking fines, and/or campus incurred chargers that are debited to my account.

If you are eligible for Federal financial aid in excess of tuition and fees and you wish to use this excess to cover other charges (e.g. including mandatory fees not covered by HOPE, books, supplies, miscellaneous fees, charges and fines, emergency loans, housing costs, meal plan charges, and institutional fee) you must authorize Abraham Baldwin Agricultural College to pay these charges from your account balance. This authorization is valid for funds in excess of tuition and fees, based on your financial aid eligibility and enrollment status.

I authorize Abraham Baldwin Agricultural College to apply the credit balance derived from Federal funds/aid to charges on my student account for current charges as well as other goods and services.

I (the student) agree to pay any collection and/or attorney costs related to the nonpayment of any charges I authorize on my account.

PRIOR YEAR CHARGES AUTHORIZATION

Federal Title IV financial aid funds are generally restricted to payment of current period tuition, fees, room and board. However, students may authorize use of these funds for prior period expenses. By signing this authorization, it enables Abraham Baldwin Agricultural College to use your Title IV financial aids funds in this manner. In addition to current term charges, I authorize Abraham Baldwin Agricultural College to use Federal Funds/aid for prior year charges, not exceeding \$200.

I (the student) agree to pay any collection and/or attorney costs related to the nonpayment of any charges I authorize on my account.

You may rescind this authorization at any time prior to incurring such charges, but you may not cancel it once such charges have been paid on your behalf.
