

Common Error Messages for ABAC Registration

Web access disabled

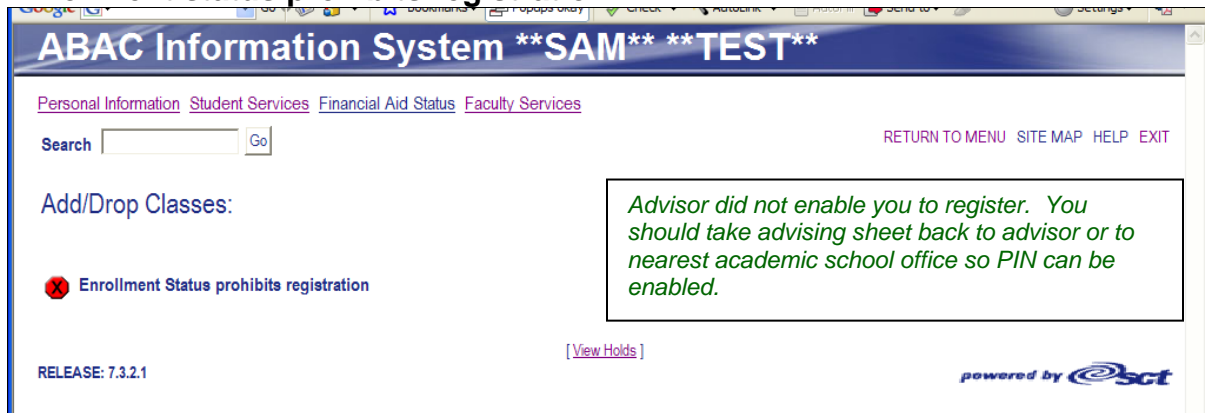

Your Web access has been disabled. Please contact the Enrollment Services Office for information about your account.

Your PIN is disabled after too many log-in attempts with an incorrect PIN. Visit the Academic Support Counselors' office in the bottom floor of the Library, Carlton Center or call 229-391-4995 to have reset. If calling, be prepared to answer questions so that we may verify your identity.

If you cannot remember your PIN in the future, follow these steps BEFORE disabling your access: At the Banner log-in, enter your 918 and then click on "Forgot PIN". Your security question will be displayed. If you correctly enter the answer exactly as you set it up, you will be taken to a screen to reset your PIN to a new 6-digit code. Remember – six numbers,

Add/Drop Classes:

Science co-requisite error. Lab & class have to be paired in specific match. The error message gives a hint. Each line in the error message shows the two CRNs that are paired in the system. So chose CRNs from the same line in the error message to successfully match the lab & class. Visit or call the School of Science and Math (229-391-5100) on the second floor of Britt Hall for further assistance.

Use this interface to add or drop a section. Additional information will be displayed in the table. Classes may be dropped by using the options available in the Action field. If no options are listed in the Action field then the class may not be dropped. When add/drops are complete click Submit Changes.

If you are unsure of which classes to add, click Class Search to review the class schedule.

Add/Drop Classes:

 Use this interface to add or drop classes for the selected term. If you have already registered for the term, those classes will appear in the Class Registered Successfully section. Additional classes may be added in the Add Class table. To add a class enter the Course Reference Number (CRN) in the Add Class table. Classes may be dropped by using the options available in the Action field. If no options are listed in the Action field then the class may not be dropped. When add/drops are complete click Submit Changes.

If you are unsure of which classes to add, click Class Search to review the class schedule.
