Family Educational Rights and Privacy Act of 1974 (FERPA) Institutional Policy

Family Educational Rights and Privacy Act of 1974 (FERPA) Institutional Policy

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include the following:

1. The right to inspect and review the student’s education records within 45 days after the day Abraham Baldwin Agricultural College receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.
If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before Abraham Baldwin Agricultural College discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Abraham Baldwin Agricultural College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official has a legitimate educational interest if the official needs to review an education record to fulfill their professional responsibilities for Abraham Baldwin Agricultural College.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Freedom of Expression Policy

Freedom of Expression Policy

A. Purpose and Overview of Policy

Abraham Baldwin Agricultural College (ABAC) follows the USG 6.5 Freedom of Expression Policy. For more information, see the University System of Georgia's Policy on Freedom of Expression, which can be found here: <https://www.usg.edu/policymanual/section6/C2653>

ABAC is committed to providing an educational environment and work climate that is conducive to the personal and professional development of each individual and to protecting the rights set forth in the First Amendment, which provides for freedom of speech, freedom of expression, and the right to assemble peaceably. In fulfilling its multiple missions as an institution of higher learning, ABAC encourages the free exchange of ideas and remains firmly committed to affording groups and individuals the opportunity to engage in expression on campus. In order to achieve this objective, while at the same time ensuring that the College fulfills its educational mission, the College may regulate the time, place, and manner of expression in order to assure equal opportunity for all persons, to preserve order within the campus community, to protect and preserve College property, to provide a secure environment to individuals exercising freedom of expression, or to further other important institution objectives.

This policy in no way prohibits individuals enrolled at or employed by ABAC ("members of the College community") from engaging in conversations on campus and does not apply to College-sponsored activities, but rather only establishes a designated public forum on ABAC's locations and sets forth requirements for the reservation and use of the Public Forum Area in the following limited circumstances:

(1) members of the College community who plan an event with 30 or more persons; and, (2) individuals or groups who are not members of the College community who wish to speak on an ABAC location. By placing reasonable limitations on time, place, and manner of speech, ABAC does not take a position on the content or viewpoint of the expression, but allows for a diversity of viewpoints to be expressed in an academic setting.

B. Designation of Public Forum on ABAC's Campus

To better facilitate the free exchange of ideas, ABAC has designated the Public Forum area on different ABAC locations. In Tifton, the area surrounding the fountain near the Carlton Center and Conger Hall is the public forum area on ABAC's campus ("Public Forum Area"). At the ABAC at Bainbridge site, the public forum area is directly outside the Library. At the ABAC at Blakely site, the Public Forum area is in the outdoor Common area. These Public Forum Areas are generally available from 9:00 a.m. until 7:00 p.m., Monday through Friday, provided that the area has not previously been reserved. Though reservations to use the Public Forum Area are only required as set forth in Section C and Section D below, the College recommends that all parties interested in using any Public Forum Area submit a completed Forum Reservation Request Form to the Office of Dean of Students, which is located on the second floor of Branch Hall, prior to use so that the College may minimize scheduling conflicts, accommodate all interested users, and provide for campus safety and security. Reservations will only be processed on days that ABAC's Administrative Offices are open for business ("college business days").

C. Provisions for Members of the College Community

Members of the College community who plan to engage in expressive activity on campus in a group that is expected to consist of 30 or more persons must submit a completed Forum Reservation Request Form to ABAC's Office of Dean of Students two (2) college business days prior to the scheduled activity and must receive approval in writing from a Student Affairs official prior to engaging in such activity. Prior notice is required to ensure that there is sufficient space for the large group event, that necessary College resources are available for crowd control and security, and that the academic and other operations of the College are not disrupted. The Student Affairs official may grant a reservation for a Public Forum Area or another available area of campus, as requested by the applicant, and may only deny a reservation for the limited reasons set forth in the Section E below.

If an individual or small group of individual within the College community, while engaging in spontaneous expression, attracts a group of 30 or more persons, then a representative from the group should provide the College with as much notice as circumstances reasonably permit. The College reserves the right to direct a group of 30 or more persons to the Public Forum Area or another available area of campus in order to ensure the safety of campus members, to provide for proper crowd control, and to limit disruption of the academic and other operations of the College. When relocating expression, the College official must not consider or impose restrictions based on the content or viewpoint of the expression.

D. Provisions for Outside Speakers

Individuals or groups of persons who are not enrolled at or employed by ABAC may only engage in expressive activity in the Public Forum Area and only after submitting a completed Forum Reservation Request Form to ABAC's Office of Dean of Students at least two (2) college business days prior to the scheduled speech and obtaining approval for such use in writing from a Student Affairs official pursuant to the procedures set forth in Section E below. Organizers are encouraged to submit their requests as early in the planning stages of the event as possible. This provision does not apply to any classroom instruction or College-sponsored events.

E. Procedures for Forum Reservation Requests and Appeals

Completed Forum Reservation Request Forms should be submitted to ABAC's Office of Dean of Students, which is located on the second floor of Branch Hall, at least two (2) college business days prior to the scheduled expression. This form can be found at: https://stallionsabac.sharepoint.com/:b:/s/Resources/EfsEu84_jR1FnvXds1e-GMQBEUNbvicWdQDsS8mj1DYLVg?e=zPTnBf.

Abraham Baldwin Agricultural College

Reservation scheduling will be coordinated by a Student Affairs official who will grant reservations on a first-come, first-served basis. The Student Affairs official will respond to all requests as soon as possible, but in no event more than one college business day after receipt of the reservation request, either authorizing the reservation and noting any special instructions, if applicable, or setting forth the reason for denial of the reservation.

The Student Affairs official may only deny a reservation request for one of the following reasons:

1. The Forum Reservation Request Form is not fully completed;
2. The Forum Reservation Request Form contains a material falsehood or misrepresentation;
3. The Public Forum Areas have been previously reserved, in which case the College will designate another appropriate date, time, or location to accommodate the expression;
4. The use or activity intended by the applicant would conflict with or disturb previously planned programs organized and conducted by the College;
5. The Public Forum Areas are not large enough to accommodate the expected or actual number of persons engaging in large group expression, in which case the College must provide a reservation for the applicant at an alternate location that can safely accommodate the expression provided that the applicant is a member of the College community and that such a location exists on campus of the College;
6. The use or activity intended by the applicant would present a danger to the health or safety of the applicant, other members of the College community, or the public; or
7. The use or activity intended by the applicant is prohibited by law, ABAC policy, or Board of Regents policy.

When assessing a reservation request, the Student Affairs official must not consider or impose restrictions on the expression based on the content or viewpoint of the expression.

Any denial of a reservation request may be appealed to the Vice President for Academic Affairs (VPAA)

in writing setting forth the reasons why the appeal should be granted. The VPAA or designee must respond to the appeal in writing within one college business day. The decision of the VPAA or designee is final.

F. Written Material

Members of the College community may distribute non-commercial pamphlets, handbills, circulars, newspapers, magazines, and other materials that are protected by the First Amendment on a person-to-person basis in open outdoor areas of campus. An individual who is not a member of the College community may only distribute written materials within the Public Forum Area and only during the time in which the individual has been granted a reservation to use the Public Forum Area. Handbills cannot be placed on cars. The College maintains a position of neutrality as to the content of any written material distributed on the campus under this policy.

G. General Provisions

In addition to the requirements set forth above, all individuals expressing themselves on ABAC's campus must comply with the following provisions:

1. **Disruptive Activity** - Obstruction, disruption, or interference with classes, administrative functions, or other college activities or events is not permitted. Likewise, infringement on the rights of others is prohibited. 2. **Reasonable Access** - Expression must not block access to or exit from any office, classroom, laboratory, or building. Likewise, vehicular and pedestrian traffic should not be obstructed.
3. **Picketing and Distribution of Literature** - Picketing in an orderly manner or distributing literature outside of the Free Speech Area is acceptable with the appropriate permit. Picketing is not permitted inside campus buildings. Literature may be distributed in the public areas of the campus and in public areas in certain campus buildings after receiving the appropriate permit. It is not permissible to post materials on any walls, windows, doors, sidewalks, trees, light poles, etc., or on any other college equipment without prior approval.
4. **Noise** - Sound amplification is not permitted. Noise levels should not interfere with classes, meetings, or activities in progress or the privacy of residence hall students.
5. **Presenting Identification** - It is not permitted for any person on any property either owned or controlled by the College to refuse to identify him/herself by presenting a student or faculty/staff ID card or driver's license.
6. **Damage to Property** - Care should be taken to ensure that College and personal property is not damaged or destroyed. This includes the campus lawns, shrubs, and trees. Malicious or unwarranted damage to or destruction of property owned or operated by the College or students, faculty, staff, or visitors to the College is prohibited. Persons or organizations causing such damage may be held financially and/or legally responsible.
7. **Prohibition on Litter** - All structures, signs, and litter resulting from any expression must be removed following the expression. Persons or organizations involved in or sponsoring the expression may be held financially responsible for cleanup costs.

Abraham Baldwin Agricultural College

8. Compliance with Laws, Policies, and Regulations - All individuals expressing themselves on campus must comply with state, federal, and local law; municipal ordinances; ABAC policies and regulations; Board of Regents policies and regulations; and the above guidelines and must not engage in violence or incite others to engage in violence or commit illegal or dangerous acts.

Failure to comply with all applicable laws, ordinances, policies, and regulations may result in immediate removal from the campus and any other appropriate action legal or disciplinary action.

Questions about ABAC's Freedom of Expression Policy may be addressed to ABAC's Office of Dean of Students at (229) 391-5130 or deanofstudents@abac.edu.

Student Sexual Misconduct Policy

ABAC Student Sexual Misconduct Policy reflects the Georgia Board of Regents Policy at: <https://www.usg.edu/policymanual/section6/C2655/>

In accordance with federal and state law including, Title IX of the Education Amendments of 1972 (“Title IX”) and Title VII of the Civil Rights Act of 1964 (Title VII), the University System of Georgia (USG) prohibits discrimination on the basis of sex in any of its education programs or activities or in employment. The USG is committed to ensuring the highest ethical conduct of the members of its community by promoting a safe learning and working environment. To that end, this Policy prohibits Sexual Misconduct, a form of sex discrimination, as defined herein.

USG institutions are committed to reducing incidents of Sexual Misconduct, providing prevention tools, conducting ongoing awareness and prevention programming, and training the campus community in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”) and the Violence Against Women Act (“VAWA”). Prevention programming and training will promote positive and healthy behaviors and educate the campus community on consent, sexual assault, sexual harassment, alcohol and drug use, dating violence, domestic violence, stalking, bystander intervention, and reporting.

When Sexual Misconduct does occur, all members of the USG community are strongly encouraged to report it promptly through the procedures outlined in this Policy. The purpose of this Policy is to ensure uniformity throughout the USG in reporting and addressing sexual misconduct. This Policy applies to all members of the USG community. This Policy is not intended to infringe or restrict rights guaranteed by the United States Constitution including free speech under the First Amendment, or the due process clauses of Fifth and Fourteenth Amendments.

Reporting Structure

Title IX Coordinators (“Coordinators”) at USG institutions shall have a direct reporting relationship to both the institution’s President or the President’s designee and the USG System Director for Equity and Investigations (“System Director”). The President of each institution shall determine the organizational and operating reporting relationships for the Coordinators at the institution and exercise oversight of institutional issues relating to Sexual Misconduct. However, the System Director shall have authority to direct the Coordinators’ work at each institution as needed to address system-wide issues or directives. The President of each institution shall consult with the System Director on significant personnel actions involving Coordinators, to include but not be limited to, appointment, evaluation, discipline, change in reporting structure, and termination.

For more information, see ABAC Title IX Sexual Misconduct Policy on the Human Resources website: <https://www.abac.edu/human-resources/#Title-IX>

Student Complaint Procedures

Student Complaint Procedures

Purpose: ABAC recognizes the importance of providing procedures for fair and equitable resolution of student complaints.

Resolution of complaints should be achieved at the lowest administrative level and in the most equitable way possible. The burden of proof rests with the student who submits a complaint. Students who elect the complaint process should not fear prejudice or reprisal for initiating the process or participating in its resolution.

Definition: For these purposes, a complaint is defined as dissatisfaction or disagreement with any decision or action that affects ABAC students. However, a complaint may not be filed in relation to administrative decisions regarding the routine operation of the College, including but not limited to the scheduling of classes, tuition and fee assessments, financial aid awards, reservation of facilities, or the policies of the Board of Regents of the University System of Georgia. There is a separate process for the appeal of grades, reinstatement of financial aid, academic exclusion, and matters which pertain to the Student Code of Conduct. Complaints covered by policies already in place (e.g., Student employment, grade appeals, sexual harassment, discrimination, student conduct, etc.) are excluded from these guidelines.

Procedures:

1. A student who has a complaint should first seek to resolve the problem by discussion with the individual involved. If this informal means fails to resolve the problem, the student should submit a written complaint using the Student Complaint Form on the Dean of Students website.
2. The complaint process will follow the chain of command of the department/office in question until a resolution is found.

The goal of the process is a successful resolution of the problem.

Academic Information

The information below does not supersede or replace information contained in the official College Catalog. This information is included in the Student Handbook for ease of access by students.

The Catalog

The ABAC Catalog [<https://catalog.abac.edu>] provides descriptions of academic departments and undergraduate programs and courses, as well as information about Admissions, Student Affairs, Financial Aid, and Academic Support services. Students are evaluated and graduated based on the requirements in the Catalog.

Academic Information

Attendance Policy

Attendance Policy

Students need to attend class every scheduled session, especially during the drop/add period (see the Academic Calendar [http://tools.abac.edu/Registrar/Academic_Calendar]). There is no official college-wide attendance policy, but in each course, the attendance policy is under the instructor's discretion. Since classes and faculty differ greatly, students should be certain they understand the attendance requirements, outlined in the syllabus, for each course in which they are enrolled. A professor may lower students' grades for excessive absences.

Academic Information

Semesters and Credit Hours

Semesters and Credit Hours

Credit Hour: A credit hour is a unit of credit for a course, and is usually based on the number of hours per week in class. Most classes are three credit hours; however, some may be worth more or less. Typically, a four-year degree (bachelor's) requires 120 credit hours.

Semester: The period of time or term that a student takes a group of courses. ABAC offers three semesters: Fall, Spring, and Summer.

To graduate in four (4) years with a baccalaureate degree, a full-time student should take 15-18 credit hours per fall and spring semester or 30 hours per academic year (Fall/Spring/Summer). Taking 12 credit hours in a semester is considered full-time, but will increase students' time and cost to earn a degree. Students should plan to study a minimum of two (2) hours per week for each one-hour credit taken. Enrolling in 15 credit hours would require a minimum of 30 hours of study time each week.

Academic Information

Academic Advising

Academic Advising

New students are assigned to an academic advisor following Orientation. Students work closely with their academic advisor to develop an academic program map and plan classes accordingly for each semester. Students who declare a major upon admission to the college are advised by faculty in the department of the declared major. Those students who have not declared a major are advised by Academic Support Counselors. Students must see their academic advisor prior to registration each semester. During a student's advising appointment, the academic advisor will enable the student to register in Banner Web. See Academic Support Counselors for more information.

DegreeWorks is the online degree audit system used by ABAC to record a student's progress in satisfying degree requirements. Students can access DegreeWorks by logging into MyABAC and clicking on the DegreeWorks app.

Academic Information

Registration

Registration

Abraham Baldwin Agricultural College

Registration is the process of choosing courses and creating a class schedule for the next semester using Banner. Your registration date and time depends on the number of credit hours you have earned, with priority given to students who are further along in their degree program.

Each fall and spring semester, Rush to Register (advisement and early registration event) occurs. During this time, students are encouraged to make an appointment to meet with their academic advisor to plan their course schedule for the next semester, so that they may register early during Priority Registration. Priority registration dates can be found in the academic calendar. Students are required to meet with an academic advisor each semester before they can register. Students can register by clicking on the Banner Web app inside of the MyABAC portal. Students who experience difficulties registering or have questions can contact Academic Support by email, asc@abac.edu, phone, 229.391.4995, or by visiting us on the third floor of the Carlton Center.

Academic Information

Change of Schedule (Drop/Add)

Change of Schedule (Drop/Add)

Drop/Add is the period of time at the beginning of each semester when students can change their course schedule without incurring a penalty. Students should be sure to talk to their academic advisor or Academic Support before adding or dropping a course, to avoid negatively impacting their degree progress. The drop/add period can be found in the academic calendar.

Academic Information

Withdrawals

Withdrawals

Course Withdrawal is the student's decision to remove themselves from one or more classes, but not all, after the drop/add period is over. If the student withdraws prior to the withdrawal deadline, they receive a W (withdrew) on their transcript. If the student withdraws after the deadline (usually around the semester midpoint), they will receive a WF (withdraw-fail). A W has no effect on GPA, but a WF will factor into the student's grade point average (GPA) as an F. Withdrawing from college courses can negatively impact the Standards of Academic Progress for Financial Aid. Students should talk with their advisor or Academic Support and Financial Aid before withdrawing from a course.

Withdrawal from a co-requisite Learning Support Course: Students who wish to withdraw from a co-requisite Learning Support course must also withdraw from the college-level course for which the Learning Support course is a co-requisite.

Full Withdrawal: Students who voluntarily withdraw from the College must first consult with Academic Support to begin the process and complete a "Student Withdrawal Form." Students who withdraw from the College prior to midterm will receive a grade of W in all classes in which they are enrolled. Students who withdraw from the College after midterm will receive a grade of WF.

Medical Withdrawal: Prior to mid-term, medical withdrawals are the same as any other official withdrawal from the College. Students will receive a "W" in all classes. However, students are encouraged to complete the medical withdrawal process if appropriate, even if the withdrawal is before mid-term. After mid-term, students seeking a medical withdrawal must submit the appropriate medical documentation on medical doctor's letterhead, signed and dated by the treating physician who is not a family member, to the Student Development Center. A student must also submit a signed and dated statement requesting a medical withdrawal. If it is determined that a student must withdraw from classes for a given term for medical reasons, the Student Development Center will notify the student's instructors, the Registrar's Office, Office of Financial Aid and the Housing Office. Students will be given the grade of "W" in classes if they had passing grades in the class at the time of withdrawal. If students were not passing at the time of withdrawal, the grade of "WF" will be assigned. In all cases, students should make every effort to keep instructors informed of any situation which affects class attendance. A medical withdrawal is for the student's illness or medical issue only. A medical withdrawal is from all classes for that term. The deadline for submitting complete appropriate medical documentation is one hour before the College closes on the last day of classes for the term. After the last day of class, students must follow the Grade Appeal process.

Medical Withdrawals for Prior Semesters: Medical withdrawals for prior semesters will be granted only if students can provide adequate documentation that the medical condition for which the student withdrew was such that the students or family members could not contact the College before the semester ended.

Appeal of Grades

Appeal of Grades

Students wishing to contest a grade must initiate the appeal in writing to the instructor within 30 calendar days from the last day of class of the term in which the grade was recorded. Students must first appeal the matter in writing to the instructor(s) who taught the course. The appeal must specify reasons the assigned grade is incorrect or inappropriate. The instructor(s) will respond to the student in writing within ten (10) working days of the date of the appeal.

Should this response not satisfy the appeal, the student can appeal in writing to the department head (or dean, if there is no department head), of the academic school in which the course was taught. If the student does not appeal within ten days, the grade is final. The department head/dean may conduct a conference including the dean, the department head, the student, and the instructor. The department head/dean may convene an impartial committee in the discipline to review pertinent documents and will respond to the student in writing.

Should this procedure fail to resolve the appeal, the student must provide a written appeal to the Provost and Vice President for Academic Affairs within ten (10) working days from the date of the department head/dean's response. The Provost and Vice President for Academic Affairs will take the appeal to the Academic Review Committee where further hearings may be conducted. The judgment of the Provost and Vice President will be considered the final and binding decision on the matter.

The appeals process is intended to provide a venue whereby students may voice a claim of discrimination, capricious or unfair dealings, or denial of due process.

Academic Information

Academic Standing

Academic Standing

The College recognizes five (5) categories of academic standing: Good, Academic Probation, Academic Suspension 1, Academic Suspension 2, and Learning Support Suspension.

Good. Students are required to maintain a minimum Overall Grade Point Average (OGPA) of to obtain and maintain good standing.

Academic Probation. Students are required to maintain a minimum Overall Grade Point Average (OGPA) of 2.0. When students' OGPA falls below 2.0, they will be placed on probation. Freshmen who are placed on probation for the first time will be required to attend an Academic Success Workshop before the start of the following semester. All students who are on academic probation will be restricted to taking no more than 12 semester credit hours and are encouraged to seek assistance through the Academic Support Center. Students on academic probation may be in jeopardy of losing Federal Financial Aid.

Students earning a semester (term) Institutional GPA (SIGPA) of 2.0 or greater the semester immediately following a probation will be removed from probation if their OGPA is 2.0 or greater. If the OGPA remains below 2.0, they will remain on probation. Any student whose semester (term) Institutional GPA (SIGPA) is less than 2.0 during the semester following probation will be suspended in accordance with ABAC's academic standing policy.

Academic Suspension. Students not attaining minimum academic standards subsequent to being placed on academic probation will be suspended from the College. The minimum standard for avoiding academic suspension subsequent to being placed on academic probation is a SIGPA of 2.0. Consecutive terms of probation in which students continue to earn a SIGPA of 2.0 or greater will prevent suspension. However, failure to earn a SIGPA of 2.0 while on academic probation will result in a suspension. The first suspension will be for the first 16-week semester (fall or spring, not summer) immediately following the suspension; subsequent suspensions will be for one full academic year (3 terms).

Appeal of Academic Suspension. Students may appeal an academic suspension, due to a mitigating circumstance*, by notifying in writing the Registrar's Office. This appeal will be heard by the Academic Review Committee. An additional appeal may be submitted to the Provost and Vice President for Academic Affairs. The judgment of the Provost and Vice President for Academic Affairs will be considered the final and binding decision on the matter.

The appeals process is intended to provide a venue whereby students may voice a claim of discrimination, capricious or unfair dealings, or denial of due process. Students returning to ABAC after suspension will be placed on post-suspension probation and be subject to probation requirements as noted above unless they have a minimum OGPA of 2.0. Students returning on post-suspension probation status who earn a minimum SIGPA of 2.0 will be allowed to continue in the probationary status until the minimum OGPA of 2.0 for good academic standing is reached.

Friday, 8:00 a.m. - 2 p.m.

Abraham Baldwin Agricultural College

The Health Center is open from the first day of classes until the final day of final examinations each semester for patient care. The Health Center is open during semester breaks for immunizations and access to records. Visit the Health Center website at <https://www.abac.edu/campus-life/health-center> for updated information on hours and services. Students with serious illness or injury should seek emergency health care in the community or call "911".

Charges may apply to cover the cost of some medical supplies, laboratory tests and medications. The Health Center has a limited formulary of the most commonly used prescription and non-prescription medications used in college health. Students seeking health care in the community by referral from the Health Center are responsible for any costs incurred.

Student Health Insurance Plan

ABAC's Student Health Insurance Plan (SHIP) is a comprehensive health insurance plan available to students. This plan complies with the Affordable Care Act (ACA) requirements. Health insurance is required of athletes, international students holding J or F visas and nursing students. All other students should strongly consider obtaining health insurance from this or another source. Parents and students may find ABAC's SHIP is an affordable alternative for health insurance. More information can be found regarding SHIP at <https://www.abac.edu/faq/student-health-insurance>.

Using Health Insurance at the Health Center

The Health Center accepts all major insurances. Students are encouraged to bring their health insurance cards to the clinic when they come for services. Insurance will be filed for clinic visits. The cost of the visit is applied to the deductible, and the Health Center does not bill the patient for the unpaid balances.

Required Immunizations

Students must submit a certificate of immunization to the Admissions Office prior to admission to the College. This form is part of the admission requirements.

MMR	Students born in 1957 or later must prove immunity to measles, mumps, and rubella by taking two (2) Measles, Mumps, and Rubella (MMR) vaccinations or by providing laboratory evidence of immunity.
Tdap	Students must have taken a Tetanus-Diphtheria-Pertussis (Tdap) booster within 10 years of acceptance.
Varicella	Students must prove immunity to varicella (chicken pox). This proof may be established by giving a history of chicken pox or shingles illness to a health care provider with the date of illness or by taking two (2) varicella vaccinations or by providing laboratory evidence of immunity.
Hepatitis B	Students under the age of 19 years must prove immunity to Hepatitis B. This proof may be established by taking three (3) Hepatitis B vaccines or providing laboratory evidence of immunity.
Meningitis	Students planning to reside in campus housing must receive information regarding meningococcal disease. The Center for Disease Control (CDC) recommends a meningococcal conjugate (MenACWY) vaccine for first-year college students living in residence halls. If they received it before their 16th birthday, they need a booster dose for maximum protection before going to college. Otherwise, students must sign a form that documents that they decline the vaccine.

Note: Students are strongly encouraged to make a copy of their immunization records and keep these records among their important papers.

Financial Aid

Financial Aid

The Office of Financial Aid has two locations: 1) Second floor of Branch Hall (Tifton) 2) Mobley Administrative building (Bainbridge). Please visit the office nearest you. Through a program of institutional, state and federal aid, ABAC can assist a qualified student in obtaining a college education. Students with limited resources can be offered a package which will help further their education beyond the high school level. One purpose of the Financial Aid Program is to recognize students who appear to have outstanding potential (merit-based awards). Another purpose is to provide assistance to students who, without such aid, would be unable to attend college (need-based awards).

Abraham Baldwin Agricultural College

Financial aid is awarded on the basis of financial need and scholastic achievement. The college uses the Free Application for Federal Student Aid (FAFSA) to determine financial need. The FAFSA is available online at <http://www.FAFSA.gov>. Male students receiving financial aid are required to comply with the Selective Service registration procedure. Students must certify that they are not in default on any Title IV educational loans, do not owe a repayment on any Title IV educational grants, and have not borrowed in excess of loan limits. Students must be working toward a degree to receive federal financial aid. The school defines an academic year as 24 credit hours and 30 weeks of instruction for financial aid purposes and a student must take 12 or more credit hours each semester to be considered as a full-time student.

Enrollment Schedule	Enrollment Hours	Payment Status
Full-Time	12 or more	100%
Three-Quarter-Time	9-11	75%
Half-Time	6-8	50%
Less-than-Half-Time	5 or less	25%

Applicants for financial aid are requested to have the results from the FAFSA and all other required documentation in the Office of Financial Aid by May 1 for returning students and July 1 for new students to ensure completed processing for fall term. Applications received after this date will be considered provided funds are available, in the order of the date of receipt. Students enrolled less than full-time will receive full consideration for financial aid. In planning for their college years, students should understand that all financial aid programs operate on a first come, first served basis. **Students are encouraged to make application for financial aid (merit or need-based) at least 10 weeks in advance of the time they intend to enroll.** Failure to apply on a timely basis may significantly reduce the amount of aid students receive.

Eligibility for receiving financial assistance at ABAC is determined by comparing the cost of attending college with the ability of the students (and parents or spouse) to satisfy these expenses. Cost of attendance is calculated for each of several groups of students at ABAC using criteria such as resident status and living accommodations. For each of these student groups, cost of attendance includes anticipated expenses such as room and board, books and supplies, personal expenses, and the ability of the students (and parents or spouse) to contribute to college expenses. The ability of the students (and parents or spouse) to contribute to college expenses (also called the Expected Family Contribution) is determined by the U.S. Department of Education using criteria established by that agency. Factors used in determining ability to pay include, but are not limited to, all appropriate assets and income (earned and unearned). The factors vary from year-to-year.

A FAFSA must be filed for each year that students wish to be considered for aid. Awards for each year are based upon proper completion and timely filing of the FAFSA; completion of the verification process, if warranted; the availability of federal, state and/or institutional funds; and eligibility for the individual programs for which students are applying and the applicant's continued enrollment and ability to maintain satisfactory academic progress. The amount of assistance may increase or decrease from one year to the next depending upon educational costs, the financial circumstances of the family and the level of program funding. Eligibility does not carry over from one year to the next.

A number of applications are randomly selected for verification purposes each year. When students' applications are selected, they will be required to submit documentation as requested to verify specific information from their financial aid application. Failure to submit the appropriate documentation in a timely manner will prevent the award of federal financial aid.

Grants

Grants

Federal Pell Grant

Abraham Baldwin Agricultural College

This federal aid program is designed to assist undergraduate students who demonstrate they are unable to attend college without financial assistance. This form of financial assistance is a grant with no repayment required. Applicants must be enrolled at ABAC in a degree program and be citizens or permanent United States residents. The amount of the grant is governed by financial need and the cost of attending ABAC for an academic year. The duration of the students' eligibility for a Pell Grant is limited to the time students are enrolled in an undergraduate degree or certificate program of four (4) years or less and are making satisfactory academic progress. Application is made by completing the FAFSA online.

Federal Supplemental Educational Opportunity Grant (SEOG)

Grants ranging from \$100 to \$4,000 per academic year are available through this federally funded program. These grants are awarded to students who have demonstrated financial need. Grants are renewable each year during undergraduate study, provided students show satisfactory academic progress and financial need. Funding for this program is limited, so not all students who are eligible will receive a SEOG award. Application is made by completing the FAFSA.

Helping Outstanding Pupils Educationally (HOPE)

The HOPE Scholarship and Zell Miller Scholarship are funded by the Georgia Lottery for Education and are available to eligible Georgia high school graduates. Students may gain HOPE eligibility by having a 3.0 overall GPA at the 30th, 60th, or 90th attempted hour. Full time enrollment is not a requirement.

Students attending public colleges or universities receive a HOPE Award Amount based upon a per hour rate payable up to 15 hours at the institution they are attending. Grade point eligibility for entering freshmen is based on a minimum 3.0 HOPE GPA as calculated by Georgia Student Finance Commission (GSFC) and meet specific rigor course requirements; and for Zell Miller, the requirements are either a minimum 3.7 Zell Miller grade point average, as calculated by GSFC, combined with a minimum score of 1200 on the math and reading portions of the SAT test or a minimum composite score of 26 on ACT as determined by the high school and reported to the GSFC, or the student was the salutatorian or valedictorian at their high school.

ABAC students currently receiving HOPE or Zell Miller may renew the scholarship based on ABAC's certification of their grade point eligibility on their course work attempted and the completion of their financial aid application. All HOPE Scholarship recipients must have a 3.0 GPA and Zell Miller must have a 3.3 GPA (however, they can continue with HOPE if they fall below 3.3 and have at least a 3.0) at the end of having attempted 30 hours, 60 hours, 90 hours, AND at the end of each spring semester, to continue their eligibility. If new students are enrolled in fewer than twelve (12) credit hours for each of their first three (3) terms in a row, they are considered a three-term checkpoint and are checked at the end of the third term. After the three-term checkpoint is applied once to students, the end-of-spring checkpoints must be applied to the students regardless of the number of hours enrolled each term.

Students who have lost HOPE eligibility may regain it upon having attempted 30 hours, 60 hours and 90 hours, if their GPA has reached 3.0 and it can only be regained once. But HOPE eligibility cannot be gained or regained at the end-of-spring checkpoint. HOPE Scholarship recipients will have a paid-hours limit in addition to an attempted hours limit. The total cumulative credit hours for which students can receive payment from any combination of credit hours from the Dual Enrollment (through spring term 2011) program plus HOPE Grant hours plus HOPE Scholarship hours are 127 semester hours.

Students applying for HOPE must complete a FAFSA or the GSFAPPS (state application at <https://www.gafutures.org/hope-state-aid-programs/state-aid-applications>). Transfer students who previously received HOPE at other institutions will be evaluated based on their GPA on all previous course work attempted after high school graduation. HOPE recipients who wish to enroll as transient students at other HOPE eligible institutions are eligible to receive HOPE funds at the host institution.

Loans

Loans

Federal Direct Parents Loan to Undergraduate Students (PLUS)

Parents may borrow up to the cost of attendance minus any other financial aid per academic year on behalf of eligible dependent students. Applicants do not have to demonstrate financial need. Application is made by completing the FAFSA and Direct Parent Loan Application.

Federal Direct Loans

Students may qualify for a "subsidized" Federal Direct Loan which is based on financial need. The federal government will pay the interest on the subsidized loan while students are in college. Any first-time borrower, or borrowers who have paid off their loan prior to July 1, 2013 and are borrowing again, can receive subsidized loans only within 150% of the length of their program of study. Students may qualify for an "unsubsidized" Federal Direct Loan, regardless of need. Interest will accrue on unsubsidized loans during the in-school and repayment periods. Dependent undergraduate students can borrow up to \$5,500 as a freshman; up to \$6,500 as a sophomore; and \$7,500 as a junior or senior in a bachelor's degree program. Independent undergraduate students and students whose parents are unable to obtain the PLUS Loan can borrow up to \$9,500 as a freshman (at least \$6,000 of this amount must be unsubsidized); up to \$10,500 as a sophomore (at least \$6,000 of this amount must be unsubsidized); and up to \$12,500 as a junior or senior in a bachelor's degree program (at least \$7,000 of this amount must be unsubsidized). Applicants will complete the FAFSA to determine eligibility. Direct Loans for first-time borrowers carry a variable interest rate, capped at 8.25%. An origination fee of varying amounts may be deducted from the students' loan proceeds. Repayment is not required as long as students are enrolled at

Abraham Baldwin Agricultural College

least half-time. Students will have a six-month grace period after they cease to be enrolled before repayment must begin. The total outstanding loans that dependent undergraduate students may have cannot exceed \$31,000. Independent undergraduate students may borrow up to a total of \$57,500.

These annual loan limit amounts are the maximum yearly amounts students can borrow in both subsidized and unsubsidized loans. Students can have one type of loan or a combination of both. Students cannot borrow more than their cost of attendance minus any other financial aid received. Also, students must be enrolled at least half-time in a qualifying program of study and must complete online Entrance Counseling and a Master Promissory Note.

Work Opportunities

Work Opportunities

Federal Work-Study Program (FWS)

Students who qualify (by completing the FAFSA) may work on campus or at an approved off-campus location to help earn money to satisfy educational expenses. To qualify for FWS, students must be permanent residents or citizens of the United States, registered at ABAC, show financial need, and make satisfactory academic progress. Federal Work-Study is awarded on a first come, first served basis.

Regular Work Program

A few jobs are also available to students under the regular program of work. The College provides information concerning these opportunities. Please check the Human Resources website for jobs available for FWS and regular positions, listed under Student Job Listings.

Scholarships

Scholarships

Foundation Scholarships

Each scholarship offered via the Abraham Baldwin Agricultural College Foundation, Inc. will be awarded on the basis of pre-determined criteria mutually agreed upon by the College, the Foundation, and the Donor that recognize the donor's affiliation with the institution while supporting the needs of ABAC and its students. These criteria include, but are not limited to, prior academic achievement and exceptional leadership. Economic need is not a criterion for the selection of recipients except where specifically stated. Scholarships are generally awarded for a two-semester period, with half of each award payable each semester unless specifically otherwise allowed by scholarship criteria. In the case of scholarships that carry awards for more than one semester, recipients must maintain a minimum grade point average (GPA) established by the College throughout the period of the award and must not drop below a full load during the semester unless otherwise allowed by scholarship criteria. Transfer to another institution will result in the termination of a scholarship. Withdrawal will result in termination unless withdrawal was for circumstances beyond the student's control. Unused portions of a scholarship resulting from withdrawal during a semester, failure to maintain the prescribed GPA, or suspension will revert to the scholarship fund. Reinstatement of the scholarship after withdrawal must be initiated by students where permitted by the fund agreement; however, a request for reinstatement of a forfeited scholarship award does not guarantee reinstatement. Any deviation from this standard requires written approval from the Provost and Vice President for Academic Affairs and the Foundation's Chief Operating Officer. Scholarships are awarded based upon availability of funds, as determined by the Abraham Baldwin Agricultural College Foundation, Inc. All scholarships may not be available for award during a given academic year. Detailed information for ABAC Foundation Scholarships and the application process may be obtained online at <https://www.abac.edu/funding/#Scholarships>.

The ABAC website provides links to several financial aid related websites. These websites can be used by ABAC students for assistance in locating outside scholarship sources. For further information on this service, contact the Office of Financial Aid. This listing of outside sources of financial aid is provided as a service to ABAC students. Students are encouraged to actively research and seek out other possible sources of financial aid and/or scholarships.

Students' Rights and Responsibilities for Financial Aid

Students' Rights and Responsibilities for Financial Aid

Students receiving financial aid have rights and responsibilities. Student applicants must, without exception, report any of the following changes to the Office of Financial Aid:

- withdrawal from school
- transfer to another school
- any change in enrollment status
- name changes
- address change or parents' address change

Students are responsible for obtaining, completing, and filing the proper financial aid application, statements, forms, etc., each year on a timely basis. Satisfactory Academic Progress (SAP)

Satisfactory Academic Progress (SAP)

The Higher Education Act of 1965, as amended by Congress, mandated institutions of higher education to establish minimum standards of "satisfactory progress" for students receiving financial aid. The College makes these standards applicable to all institutionally awarded federal and state funds to include Federal Pell Grant, Federal Supplemental Educational Grants, Federal Work-Study, HOPE Scholarships, Federal Direct Student Loans, and Federal Direct Parent Loans to Undergraduate Students (PLUS), for the purpose of maintaining a consistent policy for all students receiving assistance.

Effective with the beginning of the Spring Term 2011, the following standards will apply to all students receiving any type of financial aid outlined above. Satisfactory academic progress must be maintained by satisfying three (3) requirements: the GPA Rule, the 67% Successful Completion Rule, and the 150% Maximum Time Frame Rule.

First Semester and Transfer Recipients

Abraham Baldwin Agricultural College

To receive federal financial assistance for the first time at ABAC, each eligible person will have met the admission requirements of the College.

Continuing Recipients

Students will be expected to achieve certain minimum levels of progress toward the successful academic completion of course requirements for a degree or certificate. Progress is measured both quantitatively and qualitatively. At ABAC, standards for maintaining such progress are as follows:

GPA Rule

To maintain eligibility for financial aid, students must maintain a minimum OVERALL GPA (OGPA) of 2.0. The OGPA will be checked at the end of each term for satisfactory academic progress. The OGPA includes grades of A, B, C, D, F, and WF. WF (withdrew with a failing grade) counts as an F. All grades for repeated coursework will count in the GPA calculation. All courses that are transferred in from another institution will also count in the overall GPA evaluation. Students do not earn quality points for incomplete grades until the grade is resolved. Learning Support, repeated, and transfer courses are included in the calculation of the GPA.

67% Successful Completion

Students must successfully complete a minimum of 67% of the cumulative credit hours attempted. Satisfactory completion is defined as a letter grade of A, B, C, D, S or IP. Unsatisfactory completion is defined as a letter grade of F, I, U, W, or WF. Learning Support, repeated, and transfer courses are included in the calculation of completions.

150% Maximum Timeframe

Federal regulations limit receipt of federal financial aid to no more than 150% of the course work required for any particular degree or certificate. Learning Support credits, transfer credits, and repeated credits will all be included in the hourly limitation.

Program Requirements	Maximum Attempted Credit Hours
30	45
60	90
120	180

Student Services

College Level Examination Program (CLEP) Tests

College Level Examination Program (CLEP) Tests

If credit is earned via a CLEP test, the results are recorded by course, course number, and semester hours earned. Successful CLEP tests are credited toward graduation. Successfully completed tests will be counted in the maximum timeframe to complete a program but not in the GPA or successful completion calculation. A grade of K is awarded for successful CLEP tests in which students earn the minimum score.

Student Services

Evaluation Periods and Communication

Evaluation Periods and Communication

The Office of Financial Aid will evaluate satisfactory academic progress at the end of each term. All credit hours are measured whether the student received financial aid or not to pay for those credits. Students will not receive credit hours earned for courses that are audits. Withdrawals and Incompletes are counted as attempted courses and these grades will negatively affect a student's satisfactory academic progress.

All communications regarding satisfactory academic progress will be sent by mail and email after all grades have been posted and the evaluations complete. The status is also posted in the Financial Aid Status section of students' Banner accounts. In addition, letters are sent via the US Postal Service when students have utilized their appeal process.

Student Services

Financial Aid Appeal Process

Financial Aid Appeal Process

Abraham Baldwin Agricultural College

Students with mitigating circumstances may appeal financial aid ineligibility in writing. All students must complete the Satisfactory Academic Progress Appeal form and submit all the documentation requested on the form. Failure to supply all the requested documentation by the appeal deadline will result in a continued suspension until the next appeal deadline for a future semester. All appeals should be forwarded to the Office of Financial Aid by the published deadline.

Mitigating circumstances are defined as unanticipated and unavoidable events or situations beyond students' control that prevent them from successfully meeting the standards of academic progress. If an appeal is granted, students are expected to adhere to all the stipulations set forth in the reinstatement letter as well as any academic plans that are required for the students to regain compliance with the standards as outlined above. Students who regain eligibility and subsequently fail to maintain progress or fail to abide by the stipulations for reinstatement are no longer eligible for appeal.

If the appeal is denied, the students will need to enroll using their own resources until they are in compliance with the measures of academic progress for financial aid.

Levels of Appeal

Financial Aid Office

Students may submit a written appeal, including any appropriate third-party documentation of the circumstances. Students are encouraged to present at least one letter of support from their academic advisor or a faculty member familiar with their situation. A financial aid counselor will notify students in writing of a decision within two (2) weeks of submission of all requested documents. The financial aid counselor reviewing the file reserves the right to advise students as to their course load and the possible need for counseling and/or academic advisement.

The Financial Aid Office will hear only one appeal per student per circumstance.

Director of Financial Aid

Students who have had their initial appeal denied by a counselor may request a meeting with the Director of Financial Aid to present additional information that may not have been included in the initial appeal. The Director will inform such students in person and/or in writing of the appeal decision. The Director will read only one appeal per student per circumstance.

Student Financial Aid Appeals Committee

Students who have been denied by both a counselor and the Director of Financial Aid are eligible to appeal to the Student Financial Aid Appeals Committee if they can reasonably show that one of the following has occurred:

- The student has not received due process or
- The student is the object of discrimination or
- The student has not been treated in an equitable manner or
- The decision of the Financial Aid Counselor or Director of Financial Aid was arbitrary and capricious

Students seeking to appeal to the Student Financial Aid Appeals Committee should do so in writing. The written appeal should contain an explanation of why an additional appeal should be heard, based on the criteria above. The written appeal should be submitted to the Financial Aid Office at least two

weeks before the beginning of the semester for which the student is seeking to be reinstated. The Committee meets to review appeals once at the beginning of each semester and will notify students in writing of their appeal decision. The decision of the Student Financial Aid Appeals Committee will be final.

Financial Aid Status

Financial Aid Status

Financial Aid Warning Status

The Financial Aid Warning status is used for students who are not meeting (1) the overall GPA or (2) 67% completion requirement for the first time. Students who are placed on financial aid warning are not required to appeal. Financial aid warning is an automatic grace period that allows students one term to satisfy the standards of academic progress. A student can be placed on warning only once.

Financial Aid Suspension Status

Students who are not making satisfactory progress at the end of the semester they are on Financial Aid Warning will be placed on Financial Aid Suspension and will not be eligible for financial aid until they are again making progress. Students may appeal if they have extraordinary circumstances.

Abraham Baldwin Agricultural College

Financial Aid Probation Status

All students who have been reinstated to financial aid eligibility through appeal are reinstated on a provisional basis. Students who are reinstated on provisional/probationary status and are expected to satisfy the standards of academic progress after one term of attendance will not require an academic

plan. Students who are reinstated on provisional/probationary status and are not expected to satisfy the standards of academic progress after one term of attendance will require an academic plan.

Provisional/probationary students for purposes of financial aid will continue to be eligible for financial aid as long as the students adhere to the reinstatement conditions and academic plan as outlined in the agreement.

The purpose of the academic plan is to ensure the students satisfy the standards of progress within a specified time period or are able to complete a program of study successfully within a specific time frame.

Unusual Enrollment History (UEH)

Unusual Enrollment History (UEH)

Beginning with the 2013-14 award year, the U.S. Department of Education added the Unusual Enrollment History (UEH) Flag to the Institutional Student Information Record (ISIR). The purpose of the UEH Flag is to identify instances of potential fraud and abuse of the Federal Pell Grant Program. Although some students have legitimate reasons for unusual enrollment histories, other students may enroll in post-secondary schools long enough to receive credit balance payments, leave the institutions, and repeat the process at other schools.

Students with an unusual enrollment history, based on the school's criteria, will have one of the following UEH flags and C codes on their ISIRs.

UEH Flag Value	C Code	Comment Code	Flag Description	School Action to Resolve Flag
N	No	None	Enrollment pattern not unusual	No school action required.
2	Yes	359	Possible enrollment pattern problem	School must review enrollment/academic and financial aid records for past four (4) years.
3	Yes	360	Questionable enrollment pattern	School must review enrollment/academic and financial aid records for past four (4) years.

Eligibility

Eligibility

Determining Title IV Aid Eligibility

ABAC has established policies and procedures to determine whether the documentation obtained supports the student's explanation and demonstrates that the student did not enroll for the purpose of receiving a Title IV credit balance payment. ABAC must document the decision in the student's file.

Eligibility Approved

If the documentation supports an assertion that the student did not enroll in multiple schools/programs solely to obtain the credit balance payment, the student is eligible for additional Title IV funds. ABAC must document its determination in the student's file and process the student's Title IV aid accordingly.

Eligibility Denied

The student loses eligibility for all Title IV aid if both of the following are true: (1) The student did not earn academic credit at one or more of the prior schools. (2) After reviewing a student's submitted UEH

Abraham Baldwin Agricultural College

Appeal Form, ABAC determines that the documentation fails to disprove that the student enrolled in multiple programs solely to obtain the credit balance payment.

ABAC must document its determination in the student's file and provide the student with an opportunity to question and appeal the decision. The Office of Financial Aid will also provide students with information about regaining eligibility. Reinstatement of Eligibility

All students who have lost eligibility for all Title IV aid and would like to appeal for reinstatement must complete a UEH Appeal Form. If granted, students must adhere strictly to all conditions of their reinstatement.

Note: The school's policies require that the student complete academic credit as at least a part of the basis for a UEH appeal and potential reinstatement of Title IV aid.

When students regain eligibility under these provisions, eligibility for Pell Grant and campus-based aid begins in the payment period during which the students regained that eligibility. For Direct Loans, eligibility begins with the period of enrollment during which the students regained eligibility.

Inter-Club Council & Student Clubs (ICC)

Inter-Club Council & Student Clubs (ICC)

The Inter-Club Council (ICC) serves to register and guide all student clubs and organizations on the various ABAC locations. The ICC on the Tifton campus and the ABAC at Bainbridge site acts as a resource, leadership forum, and advocacy group for student organizations. The Inter-Club Council strives to ensure that student groups at ABAC work cooperatively and within the guidelines set forth by the institution.

With approximately 50 student clubs in addition to the organizations described above, ABAC has at least one group to match the interests of every student. Most major fields of study have an affiliated club, which sponsors activities and programs to supplement students' learning in the classroom. Phi Kappa Phi and Phi Theta Kappa cater to honors students. The College Republicans and College Democrats provide opportunities for students to debate and participate in current events. The Cultural Latina Club and the IMPACT focus on various cultural interests. Other clubs, such as the Baptist Collegiate Ministries (BCM) emphasize the spiritual side of college life. So, choose a club (or start a new one!) that looks interesting and check it out <https://www.abac.edu/campus-life/clubs-and-organizations>. Don't be a wallflower!

Investigation and Disciplinary Proceedings

ABAC Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings reflect the Georgia Board of Regents Policy, Section 4.6.5 at: <http://www.usg.edu/policymanual/section4/policy/C332>

This Policy establishes minimum procedural standards for investigations and resolutions of alleged student conduct violations, which each institution must incorporate into its respective student conduct policies. The purpose of this Policy is to ensure uniformity in the quality of investigations while providing for due process that affords fairness and equity in all student conduct investigations.

These procedures apply to matters relating to student misconduct, except matters relating to academic dishonesty, which may be covered under separate institutional policies. ABAC shall inform students of their procedures governing student misconduct complaints and investigations.

Students participating in Study Abroad programs are expected to follow the ABAC Student Code of Conduct while also complying with the laws of the region they are visiting. See the Study Abroad Handbook for clarification.

Disciplinary Procedures

Disciplinary Procedures

The following procedures are designed to adjudicate situations involving alleged academic misconduct, recognizing the interest of each of the parties involved:

1. In any situation in which an instructor suspects academic dishonesty, the instructor should initiate a conversation with the student as soon as possible to assess if further investigation is appropriate.
2. If a student admits responsibility in a case of suspected academic dishonesty which does not involve a grade penalty significant enough to alter the student's final grade in the course, the faculty member may handle the case on an informal basis by talking with the student and the student acknowledging the penalty to be imposed, if any.
 - The instructor will fill out an Academic Integrity statement on the website of the Dean of Students. The incident will be documented.
 - Faculty will notify their Department Head or academic Dean about the incident
3. In all cases of suspected academic dishonesty in which the student does not admit responsibility or in which the student requests a hearing, the faculty member will contact the Dean of Students. The Office of the Dean of Students will conduct a hearing. The purpose of the proceedings will be to provide a facilitated discussion about what may have occurred. The student(s) believed to have engaged in academic dishonesty, and the Dean of Students are the only participants in the hearing. No audio or video recordings of these proceedings will be permitted. Following the discussion, the designee will submit a form summarizing results of the proceedings to the Office of the Provost and Vice President for Academic Affairs.
 - The faculty member and student(s) may reach an agreement about the matter and, if dishonesty is involved, may determine the appropriate consequences.
 - If no resolution is agreed upon, the Dean of Students will make a decision. The alleged dishonesty could lead to suspension or expulsion, the matter will be resolved according to the process outlined in Section IV above (Investigation and Disciplinary Proceedings)

Abraham Baldwin Agricultural College

- Prior to any finding of responsibility on the part of the student, the faculty member shall permit the student to complete all required academic work and shall evaluate and grade all work except the assignment(s) involved in the accusation of dishonesty. The faculty member may, however, take any action reasonably necessary to collect and preserve evidence of the alleged violation and to maintain or restore the integrity of exam or laboratory conditions.
- A student may not withdraw from a course to avoid penalty of plagiarism or other forms of academic dishonesty.
- If a student is found not responsible of academic misconduct, the hearing body will refer the paper, assignment, or test to the appropriate department head/school dean who will facilitate a resolution concerning a fair grade for the work in question.

Upon a finding or acceptance of responsibility, the following sanction will be imposed:

1. If the instructor has published a minimum academic sanction for academic dishonesty in the course or in a written syllabus or other document distributed to members of the class, this minimum sanction will be followed.
2. In the absence of a published minimum sanction, the student will receive, at a minimum, a grade of zero for the work involved.
3. The offense will be documented with the Office of Student Affairs.

Academic Conduct Code

Multiple Offenses

Multiple Offenses

If a student is found responsible for academic misconduct as a second offense, the minimum sanction will be:

Student Housing Policy

Abraham Baldwin Agricultural College

Student Housing Policy

Abraham Baldwin Agricultural College offers on-campus housing at the Tifton campus only. Campus residence life is an important part of the college experience. On-campus living is much more than simply a convenience to students. Students living in a community of fellow students are positively influenced regarding retention, personal growth and development, participation in extra-curricular activities, and overall successful adaptation to the college experience. ABAC requires all freshmen to live on campus unless they meet one of the following criteria:

- Earned a minimum of 30 semester hours of collegiate level credit after high school graduation and have satisfied Learning Support requirements,
- Living with and commuting daily from the legal residence of a parent, legal guardian, or grandparent within a 50-mile radius of Tifton,
- Married,
- Single parent,
- 21 years of age prior to September 1 of the academic year, or
- Enroll only in courses on the Moultrie, Bainbridge, Blakely, or Donalsonville sites.

To be exempted from this requirement, a student must apply for exemption through MyABAC's Housing Portal at: <https://abac.starrezhousing.com/StarRezPortal/Default.aspx?Params=L9ezxPcQnQuRGKTzF%2b4sxeNblvAA%2b26c>. The Guide to Residential Living, provided to each student online, contains procedures and rules for living in College residence halls. This booklet, the Housing Contract, and any "house rules" which have been approved by the Dean of Students and posted in the residence halls are considered a part of the Student Code of Conduct.

Minor infractions of Residence Life & Housing policies and procedures will be dealt with through informal conferences with Residence Life staff. Students subject to an informal conference conducted by a member of the Residence Life staff are accorded the following procedural protections:

- Written notice of charges prior to the scheduled conference.
- An explanation of the evidence against them.
- An opportunity to respond to evidence against them and to produce evidence on their behalf.
- The right to request administrative review of their case at the next highest level.

In cases where the alleged misconduct may result in expulsion, suspension, or disciplinary removal from College housing, the case shall be adjudicated according to the procedures outlined in Sections III-V.

Reports of Student Misconduct

Reports of Student Misconduct

4.6.5 Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings

(This policy will take effect Fall Semester, 2020)

This Policy establishes minimum procedural standards for investigations and resolutions of alleged student conduct violations, which each institution must incorporate into its respective student conduct policies. The purpose of this Policy is to ensure uniformity in the quality of investigations while providing for due process that affords fairness and equity in all student conduct investigations. This Policy is not intended to infringe or restrict rights guaranteed by the United States Constitution including free speech under the First Amendment, or the due process clauses of Fifth and Fourteenth Amendments.

These procedures apply to matters relating to student misconduct, except matters relating to academic dishonesty, which may be covered under separate institutional policies. Institutions shall inform students of their procedures governing student misconduct complaints and investigations. For the purposes of this Policy the term Complainant means an individual who is alleged to be a victim of conduct that would violate any Board or other applicable institution policy. The term Respondent means an individual who is alleged to have engaged in behavior that would violate any Board or other applicable institution policy. Other individuals who report information to an institution regarding alleged policy violations are deemed Reporters.

Institutions may establish to what extent the procedures outlined in this Policy may apply to Reporters.

4.6.5.1 Reports of Student Misconduct

Institutions must provide clear notice to students and other campus community members as to how to file complaints of misconduct.

Complaints to the appropriate department and/or person(s) should include as much information as possible - such as: (1) the type of misconduct alleged; (2) the name and contact information of the individual(s) accused of misconduct; (3) the date(s), time(s), and place(s) of the misconduct; (4) the name(s) and contact information of any individual(s) with knowledge of the incident; (5) whether any tangible evidence has been preserved; and (6) whether a criminal complaint has been made.

Information from complaints may be shared as necessary to investigate and to resolve the alleged misconduct. Complaints shall be investigated and resolved as outlined below. The need to issue a broader warning to the community in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act") shall be assessed in compliance with federal law.

Where appropriate, Complainants may file a law enforcement report as well as an institutional report, but are not required to file both.

- 1. Confidentiality:** Where a Complainant (where applicable) requests that their identity be withheld or the allegation(s) not be investigated, the institution should consider whether or not such request(s) can be honored while still promoting a safe and nondiscriminatory environment for the institution and conducting an effective review of the allegations. The institution should inform the requesting party that the institution cannot guarantee confidentiality and that even granting requests for confidentiality shall not prevent the institution from reporting information or statistical data as required by law, including the Clery Act.
- 2. Retaliation:** Anyone who has made a report or complaint, provided information, assisted, participated or refused to participate in any investigation or resolution under applicable Board or institution policy shall not be subjected to retaliation. Anyone who believes they have been subjected to retaliation should immediately contact the appropriate department or individual(s) for that institution. Any person found to have engaged in retaliation shall be subject to disciplinary action, pursuant to the institution's policy.
- 3. False Complaints/Statements:** Individuals are prohibited from knowingly giving false statements to an institution official. Any person found to have knowingly submitted false complaints, accusations, or statements, including during a hearing, in violation of applicable Board or institution policy shall be subject to appropriate disciplinary action (up to and including suspension or expulsion) and adjudicated pursuant to the institution's policy.
- 4. Amnesty:** Students should be encouraged to come forward and report violations of the law and/or student code of conduct notwithstanding their choice to consume alcohol or drugs. Information reported by a student during the conduct process concerning their consumption of drugs or alcohol will not be voluntarily reported to law enforcement; nor will information that the individual provides be used against the individual for purposes of conduct violations. Nevertheless, these students may be required to meet with staff members regarding the incident and may be required to participate in appropriate educational program(s). The required participation in an educational program under this amnesty procedure will not be considered a sanction.

Nothing in this amnesty procedure shall prevent a university staff member who is otherwise obligated by law (the Clery Act) to report information or statistical data as required.

Process for Investigating and Resolving Disputed Reports

Process for Investigating and Resolving Disputed Reports

4.6.5.2 Process for Investigating and Resolving Disputed Reports

Jurisdiction: Each institution shall take necessary and appropriate action to protect the safety and well-being of its community. Accordingly, student conduct should be addressed when such acts occur on institution property, at institution-sponsored or affiliated events, or otherwise violate the institution's student conduct policies, regardless as to where such conduct occurs. If the student has admitted responsibility and has voluntarily decided to participate in the informal process, the procedures outlined in this section will not apply.

Access to Advisors: The Respondent and Complainant (where applicable), as parties to these proceedings, shall have the right to have an advisor (who may or may not be an attorney) of the party's choosing, and at their own expense, for the express purpose of providing advice and counsel. The advisor may be present during meetings and proceedings during the investigatory and/or resolution process at which his or her advisee is present. The advisor may advise their advisee in any manner, including providing questions, suggestions, and guidance on responses to any questions posed to the advisee, but shall not participate directly during the investigation or hearing process.

Initial Evaluation of Student Conduct Reports: Regardless of how an institution becomes aware of alleged misconduct, the institution shall ensure a prompt, fair, and impartial review and resolution of complaints alleging student misconduct. Where a report of student misconduct has been made to the appropriate department and/or person, the institution shall review the complaint to determine whether the allegation(s) describes conduct in violation of the institution's policies and/or code of conduct. If the reported conduct would not be a violation of the institution's policies and/or code of conduct, even if true, then the report should be dismissed. Otherwise, a prompt, thorough, and impartial investigation, and review shall be conducted into each complaint received to determine whether charges against the Respondent should be brought.

Any report that involves allegation(s) of conduct that could lead to the suspension or expulsion of the Respondent(s) in an initial violation must be promptly reported to the System Director of Equity & Investigations ("System Director") by the institution. The System Director will work with the institution to determine whether any interim measure(s) are necessary, to assign an investigator and may collaboratively supervise the investigation with the appropriate institution professional (e.g., the Title IX Coordinator, Dean of Students). If an allegation is not initially identified as one that could lead to suspension or expulsion of the Respondent(s), but facts arise during the investigation that would require notice to the System Director, then the institution shall report that case to the System Director or their designee prior to proceeding.

Interim Measures

Interim measures may be implemented by the institution at any point after the institution becomes aware of the alleged student misconduct and should be designed to protect any student or other individual in the USG community. To the extent interim measures are imposed, they should minimize the burden on both the Complaint (where applicable) and the Respondent, where feasible. Interim measures may include, but are not limited to:

1. Change of housing assignment;
2. Issuance of a "no contact" directive;
3. Restrictions or bars to entering certain institution property;
4. Changes to academic or employment arrangements, schedules, or supervision;
5. Interim suspension; and
6. Other measures designed to promote the safety and well-being of the parties and the institution's community.

An interim suspension should only occur where necessary to maintain safety and should be limited to those situations where the respondent poses a serious and immediate danger or threat to persons or property. In making such an assessment, the institution should consider the existence of a significant risk to the health or safety of the Complainant (where applicable) or the campus community; the nature, duration, and severity of the risk; the probability of potential injury; and whether less restrictive means can be used to significantly mitigate the risk.

Before an interim suspension is issued, the institution must make all reasonable efforts to give the Respondent the opportunity to be heard on whether the Respondent's presence on campus poses a danger. If an interim suspension is issued, the terms of the suspension take effect immediately. The Respondent shall receive notice of the interim suspension and the opportunity to respond to the interim suspension.

Within three business days of receiving a challenge the institution will determine whether the interim suspension should continue.

Investigation

Throughout any investigation and resolution proceedings, a party shall receive written notice of the alleged misconduct, shall be provided an opportunity to respond, and shall be allowed to remain silent or otherwise not participate in or during the investigation and resolution process without an adverse inference resulting. If a party chooses to remain silent or otherwise not participate in an investigation, the investigation may still proceed, and policy charges may still result and be resolved. Timely and equal access to information that will be used during the investigation will be provided to the Complainant (where applicable), Respondent.

Abraham Baldwin Agricultural College

Where the potential sanctions for the alleged misconduct may involve a suspension or expulsion (even if such sanctions were to be held "in abeyance," such as probationary suspension or expulsion) the institution's investigation and resolution procedures must provide the additional minimal safeguards outlined below.

1. The Complainant (where applicable) and Respondent shall be provided with written notice of the complaint/allegations, pending investigation, possible charges, possible sanctions, and available support services. The notice should also include the identity of any investigator(s) involved. Notice should be provided via institution email to the address on file.
2. Upon receipt of the written notice, the Respondent shall have at least three business days to respond in writing. In that response, the Respondent shall have the right to admit or to deny the allegations, and to set forth a defense with facts, witnesses, and supporting materials. A non-response will be considered a general denial of the alleged misconduct. Any Complainant (where applicable) shall also be provided three business days to respond to or to supplement the notice.
3. If the Respondent admits responsibility, the process may proceed to the sanctioning phase or may be informally resolved, if appropriate.
4. If at any point the investigator determines there is insufficient evidence to support a charge or to warrant further consideration of discipline, then the complaint should be dismissed.
5. An investigator shall conduct a thorough investigation and should retain written notes and/or obtain written or recorded statements from each interview. The investigator shall also keep a record of any party's proffered witnesses not interviewed, along with a brief, written explanation of why the witnesses were not interviewed.
6. The initial investigation report shall be provided to the Respondent and the Complainant (where applicable). This report should clearly indicate any resulting charges (or alternatively, a determination of no charges), as well as the facts and evidence in support thereof, witness statements, and possible sanctions. For purposes of this Policy, a charge is not a finding of responsibility, but indicates that there is sufficient evidence to warrant further consideration and adjudication.
7. The final investigation report should be provided to the misconduct panel or hearing officer for consideration in adjudicating the charges brought against the Respondent. A copy shall also be provided to the respondent and Complainant (where applicable) before any hearing. The investigator may testify as a witness regarding the investigation and findings, but shall otherwise have no part in the hearing process and shall not attempt to otherwise influence the proceedings outside of providing testimony during the hearing.

Resolution/Hearing

In no case shall a hearing to resolve charge(s) of student misconduct take place before the investigative report has been finalized.

Where the Respondent indicates that they contest the charges, the matter shall be set for a hearing and once the investigative report has been finalized and copies provided to the Respondent and Complainant (where applicable); however, the Complainant (where applicable) and Respondent may have the option of selecting informal resolution as a possible resolution in certain student misconduct cases where they mutually agree, except where deemed inappropriate by the Vice President for Student Affairs (or their designee) or the System Director.

Where a case is not resolved through informal resolution or informal resolution is not available due to the nature of the charges, the Respondent shall have the option of having the charges heard either by an administrator (Hearing Officer) or a Hearing Panel. If an administrative hearing is requested, the Respondent shall use their discretion to determine whether the case should be heard by a Hearing Panel. Notice of the date, time, and location of the hearing shall be provided to the Respondent and Complainant (where applicable) at least five business days prior to the hearing. Notice shall be provided via institution email where applicable. Hearings shall be conducted in person or via conferencing technology as reasonably available. Additionally, the following standards will apply to any such hearing:

The Respondent and Complainant (where applicable) shall have the right to present witnesses and evidence to the hearing officer or panel. Witness testimony, if provided, shall pertain to knowledge and facts directly associated with the case being heard. The Respondent and Complainant (where applicable) shall have the right to confront any witnesses, including the other party, by submitting written questions to the Hearing Officer or Hearing Panel for consideration. Advisors may actively assist in drafting questions. The Hearing Officer or Hearing Panel shall ask the questions as written and will limit questions only if they are unrelated to determining the veracity of the charge leveled against the Respondent(s). In any event, the Hearing Officer or Hearing Panel shall err on the side of asking all submitted questions and must document the reason for not asking any particular questions.

1. Where the Hearing Officer or Hearing Panel determines that a party or witness is unavailable and unable to be present due to extenuating circumstances, the Hearing Officer or Hearing Panel may establish special procedures for providing testimony from a separate location. In doing so, the Hearing Officer or Hearing Panel must determine whether there is a valid basis for the unavailability, ensure proper sequestration in a manner that ensures testimony has not been tainted, and make a determination that such an arrangement will not unfairly disadvantage any party. Should it be reasonably believed that a party or witness who is not physically present has presented tainted testimony, the Hearing Officer or Hearing Panel will disregard or discount the testimony.
2. Formal judicial rules of evidence do not apply to the investigatory or resolution process.
3. The standard of review shall be a preponderance of the evidence.
4. Institutions should maintain documentation of the proceedings, which may include written findings of fact, transcripts, audio recordings, and/or video recordings.

Abraham Baldwin Agricultural College

5. Following a hearing, both the Respondent and Complainant (where applicable) shall be simultaneously provided a written decision via institution email (where applicable) of the outcome and any resulting sanctions. The decision should include details on how to appeal, as outlined below. Additionally, the written decision must summarize the evidence relied on in support of the outcome and the rationale for the resulting sanction. The same form will be completed, regardless of whether the student opts for a hearing panel or an administrative proceeding.

Student Role in Institutional Decision Making

Student Role in Institutional Decision Making

Students at ABAC have the right to participate in policy making of the Institution. There is a minimum of two (2) student members on all College committees that make decisions related to students. These students, appointed by the president of the SGA, have full voting rights in the individual committees and are encouraged to be active participants. Student representatives on each committee are encouraged to report all committee actions and considerations to the SGA. This right is subject to supervision as delineated in the Policies of the Board of Regents of the University System of Georgia and the policies of this institution.

Statement of Student Rights and Responsibilities

Statement of Student Rights and Responsibilities

As a member of the ABAC community, students possess certain rights and responsibilities in their pursuit of a life-changing experience which affords them the opportunity to prepare for their role in the communities in which they will live and work. All members of the ABAC community bear a responsibility to contribute to an environment that is conducive to the educational experiences of teaching, studying, learning, and participating.

In their pursuit of a life-changing experience, students have the right to a safe and productive learning environment in which they enjoy freedom of speech, expression, and association. Students have the right to study, to pursue grievances, and to due process in student discipline. They have the right to privacy and the right to review their academic records as outlined by College policies and procedures.

Within this right, the College will release educational records only with written permission as outlined in the Family Educational Rights and Privacy Act of 1974 (FERPA) Institutional Policy (FERPA or Buckley Amendment).

ABAC Parking Decals & Guidelines

ABAC Parking Decals & Guidelines

All ABAC locations have plenty of parking spaces for students, faculty, and visitors. It is the responsibility of all members of the campus community to acquaint themselves with the rules and regulations regarding parking on the Bainbridge, Blakely, Donalsonville, Moultrie and Tifton locations. The ABAC Police Department regulates traffic and parking on this campus pursuant to Georgia law 20-3-21.

The College reserves the right to refuse, restrict, or revoke the privilege of having a motor vehicle on College property. Abraham Baldwin Agricultural College is state property. Uniform rules of the road (OCGA Title 40) are applicable, as well as the appropriate rules and regulations of the Board of Regents. The College reserves the right to remove, at the owner's expense, or to lockdown with an immobilization device any vehicle that is illegally parked, abandoned, or determined to be a hazard by the ABAC Police Department. The registrant of a vehicle is legally responsible for the safe and proper use of said vehicle while on the campus.

Faculty/Staff parking areas are identified and clearly marked throughout the campus by the designation F/S or Employee Parking. All privately owned vehicles belonging to the Faculty/Staff will be parked in an authorized parking space or area designated for Faculty/Staff/Employee. ABAC does not assume any liability resulting from damage to a registrant's or visitor's vehicle, nor of damage resulting from a registrant or visitor's vehicle. The ABAC Police is the primary agency responsible for law enforcement and traffic/parking management on the ABAC campus.

The driver of any vehicle that becomes involved in an accident on ABAC property will stop their vehicle and contact the ABAC Police at (229) 391-5060. The driver will remain on the scene until the accident investigation is completed.

The speed limit in all parking lots on the Tifton campus is 10 MPH. Speed limits on roadways are posted.

All privately owned two- and three-wheeled motorized vehicles are subject to the provisions of the parking services regulations.

Student employees of all types are considered students as far as parking regulations are concerned.

Students may apply for a parking decal at the ABAC Police Department in Evans Hall or online at <http://www.abac.edu/campus-life/police-department/parking-decals> by clicking on parking decal signup form.

All vehicles parked on campus are required to be registered with the ABAC Police Department.

- Traffic appeals must be submitted by Thursday 3 PM of the day of traffic court to be considered on that docket or they will be heard the following Thursday.
- Decals must be acquired by the first week of class every semester.

Policies and Procedures Governing Student Activity and Other Mandatory Student Fees

Policies and Procedures Governing Student Activity and Other Mandatory Student Fees

The College follows/uses the USG policy on the collection and use of mandatory student fees. This policy can be found at the following link: http://www.usg.edu/business_procedures_manual/section24/C2050/#p24.3.1_mandatory_student_fees

In keeping with that policy, the following procedures have been established for the administration of Student Activity Fee funds:

Responsibility for Administration of Funds

Authority: Board of Regents policy dictates that “all mandatory student fees collected by an institution shall be budgeted and administered by the president using proper administrative procedures, which shall include the advice and counsel of an advisory committee composed [of] at least 50 percent students.

Students shall be appointed by the institution’s Student Government Association. All payments from funds supported by student mandatory fees shall be made according to approved business procedures and the appropriate business practices of the institution.” The President has delegated responsibility for allocation and accountability of Student Activity Fee (SAF) funds to the Vice President for Finance and Operations (VPFO) and the Provost and Vice President for Academic Affairs (VPAA). In turn, the VPFO and the VPAA rely heavily on the Comptroller and the Dean of Students, respectively, for day- to-day administration of funds.

Purpose and principles for use of SAF funds: In 2013, through a process that involved input from students, faculty, and administrators, ABAC developed a structured (tiered) approach to the allocation of funds received from Student Activity Fees. The goal was to develop an allocation model that:

1. Funds a range of current and future student activities that meet the student life and learning environment needs of students,
2. Provides a simple and transparent allocation process that meets BOR and ABAC policy requirements with respect to allocation of SAF, and
3. Assigns fiscal accountability and responsibility to the deans for the expenditure of funds for Student Activity Funds that are associated with certain co-curricular activities.

Revenues received from Student Activity Fees are allocated to three (3) categories:

1. **Category 1 - Budgeted reserves** - to be used to support capital needs in support of student activities. Management for this budget category shall reside with the Vice President for Finance and Operations.
2. **Category 2 - Institutional programs** - salary, benefits, and operating funds to support student activities associated with SGA, Intramural and Recreational Sports, Ambassadors, Aquatics, Campus Activity Board (Interclub Council), Wellness Centers, Forest Lakes Golf Course, Phi Kappa Phi, Phi Theta Kappa, Student Publications, Student Radio Stations, and license fees. Management for this budget category shall reside with the Dean of Students.
3. **Category 3 - Academically-allied student activity programs** - programs that are tied directly to academic programs. Management for this budget category shall reside with the Academic Deans. Qualifying criteria for Category 3 are:
 - Clubs, teams, groups, etc. linked directly with the offering of an academic program, and
 - Clubs, teams, groups, etc. that are linked to regional or national organizations that have collegiate education as a part of their mission, and
 - Clubs, teams, groups, etc. that contribute to at least one of the following: leadership, career development, or scholarship.

The Vice President for Finance and Operations and the Dean of Students maintain a list of the organizations approved to receive funds within each of the categories listed above.

Process

Student Activity Fee Allocation Committee: The President, or his designee, shall appoint a Student Activity Fee Allocation Committee (SAFAC) consisting of ten (10) persons to include the following:

- The President of the ABAC Student Government Association (SGA),
- Three (3) students to be selected by SGA,
- One (1) non-student member to be appointed by the Vice President for Finance and Operations,
- One (1) non-student member to be appointed by the Dean of Students,
- One (1) non-student member to be appointed by the Provost and Vice President for Academic Affairs, and

Three (3) student members to be appointed by the President.

Abraham Baldwin Agricultural College

Allocation Process. The Vice President for Finance and Operations shall be responsible for preparing the proposed Student Activities Budget, in accordance with the aforementioned allocation model. The annual budget shall be based upon best available projected revenue information. The annual budget shall reflect debits and credits to the Student Activity Reserve Account. Then, the Vice President for Finance and Operations, working with the Dean of Students, shall convene the Student Activity Fee Allocation Committee and seek its approval of the budget, in accordance with BOR and ABAC policies.

The student members of the SAFAC, under the direction of the Dean of Students, shall be responsible for the solicitation of student input prior to meeting when the SAFAC will take action on the proposed budget. The Vice President for Finance and Operations shall report to the Cabinet on the actions and recommendations of the SAFAC during annual budget development.

At the end of spring semester and before closure of the fiscal year, the Dean of Students, working with the Vice President for Finance and Operations, or his designee, shall prepare a final report on the expenditure of Student Activity Funds. The report shall include budgeted amounts, actual revenues, actual expenditure, and reserves on hand in accordance with the four (3) funding categories.

Accountability

Reimbursement Timing. ALL reimbursements or payments using SAF must be approved by the Dean of Students Office. It is recommended that all requests for reimbursement and payments from SAF funds be submitted within seven (7) days of the date on the receipt or invoice. In exceptional circumstances, the Vice President for Finance and Operations may approve reimbursement requests submitted after this deadline, solely at their discretion.

Reimbursement Procedures. It is the responsibility of the club or organization advisor to manage SAF funds in accordance with standard business policies and procedures of the Board of Regents, Abraham Baldwin Agricultural College, and the Policy of the SAFAC. All requests for expenditures or reimbursement of expenditures must be submitted to the Office of the Dean of Students. If the Dean of Students, or designee, approves the request, he/she will submit it to the ABAC Business Office for payment.

Annual Reports. All organizations receiving SAF funds will submit a report at the end of the budget year comparing the budget plan and actual expenditures over the academic year. Failure to submit a report by the deadline published by the Office of the Dean of Students shall constitute a major infraction of the Policy of the SAFAC and shall result in appropriate penalties.

Investigations. The SGA President, the Dean of Students, or the Vice President for Finance and Operations may call for a review of the finances of any student organization. The review will be conducted by the SAFAC.

Sanctions. If a review finds any misuses of funds, the following steps can be taken at the discretion of the Vice President for Finance and Operations:

1. For minor infractions (as defined by the Vice President for Finance and Operations), the club or organization will receive a written notice of the infraction and a warning of future possible consequences should additional infractions occur.
2. For repeated minor infractions, an amount equal to the total amount involved in the infractions shall be re-encumbered and an equivalent amount deducted from the organization's next budget.
3. For major infractions (as defined by the Vice President for Finance and Operations), the organization shall be prohibited from using its budget for the remainder of the fiscal year and shall be ineligible to request or receive budget funding in the following fiscal year.
4. For repeated major infractions, the organization shall be prohibited from using its budget for the remainder of the fiscal year, shall be ineligible to request or receive budget funding for the following three (3) fiscal years, and shall be referred to the SGA for consideration of possible charter suspension or revocation.

Definitions and Prohibited Conduct

Definitions and Prohibited Conduct

Community: Students, faculty, and staff, as well as contractors, vendors, visitors, and guests.

Complainant: An individual who is alleged to have experienced conduct that violates this Policy.

Consent: Words or actions that show a knowing and voluntary willingness to engage in mutually agreed-upon sexual activity. Consent cannot be gained by force, intimidation, or coercion; by ignoring or acting in spite of objections of another; or by taking advantage of the incapacitation of another where the respondent knows or reasonably should have known of such incapacitation. Minors under the age of 16 cannot legally consent under Georgia law.

Consent is also absent when the activity in question exceeds the scope of consent previously given. Past consent does not imply present or future consent. Silence or an absence of resistance does not imply consent.

Consent can be withdrawn at any time by a party by using clear words or actions.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. The existence of such relationship shall be determined based on the totality of the circumstances including, without limitation to: (1) the length of the relationship; (2) the type of relationship; and (3) the frequency of interaction between the persons involved in the relationship.

Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of Domestic Violence.

Domestic Violence: Violence committed by a current or former spouse or intimate partner of the alleged victim; by a person with whom the alleged victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner, or by a person similarly situated to a spouse of the alleged victim.

Incapacitation: The physical and/or mental inability to make informed, rational judgments. It can result from mental disability, sleep or any state of unconsciousness, involuntary physical restraint, status as a minor under the age of 16, or from intentional or unintentional taking of alcohol and/or other drugs. Whether someone is incapacitated is to be judged from the perspective of an objectively reasonable person.

Nonconsensual Sexual Contact: Any physical contact with another person of a sexual nature without the person's consent. It includes but is not limited to the touching of a person's intimate parts (for example, genitalia, groin, breasts, or buttocks); touching a person with one's own intimate parts; or forcing a person to touch his or her own or another person's intimate parts. This provision also includes "Fondling" as defined by the Clery Act.

Nonconsensual Sexual Penetration: Any penetration of the vagina, anus, or mouth by a penis, object, tongue, finger, or other body part; or contact between the mouth of one person and the genitals or anus of another person. This provision also includes "Rape, Incest, and Statutory Rape" as defined by the Clery Act.

Confidential Employees: Institution employees who have been designated by the institution to talk with a Complainant or Respondent in confidence. Confidential Employees must only report that the incident occurred and provide date, time, location, and name of the Respondent (if known) without revealing any information that would personally identify the alleged victim. This minimal reporting must be submitted in compliance with Title IX and the Clery Act. Confidential Employees may be required to fully disclose details of an incident in order to ensure campus safety.

Privileged Employees: Individuals employed by the institution to whom a complainant or alleged victim may talk in confidence, as provided by law. Disclosure to these employees will not automatically trigger an investigation against the complainant's or alleged victim's wishes. Privileged Employees include those providing counseling, advocacy, health, mental health, or sexual-assault related services (e.g., sexual assault resource centers, campus health centers, pastoral counselors, and campus mental health centers) or as otherwise provided by applicable law. Exceptions to confidentiality exist where the conduct involves suspected abuse of a minor (in Georgia, under the age of 18) or otherwise provided by law, such as imminent threat of serious harm.

Reasonable Person: An individual who is objectively reasonable under similar circumstances and with similar identities to the person being evaluated by the institution.

Reporter: An individual who reports an allegation of conduct that may violate this Policy but who is not a party to the complaint.

Respondent: An individual who is alleged to have engaged in conduct that violates this Policy.

Responsible Employees: Those employees who must promptly and fully report complaints of or information regarding sexual misconduct to the Coordinator. Responsible Employees include any administrator, supervisor, faculty member, or other person in a position of authority who is not a Confidential Employee or Privileged Employee. Student employees who serve in a supervisory, advisory, or managerial role are in a position of authority for purposes of this Policy (e.g., teaching assistants, residential assistants, student managers, orientation leaders).

Sexual Exploitation: Taking non-consensual or abusive sexual advantage of another for one's own advantage or benefit, or for the benefit or advantage of anyone other than the one being exploited.

Examples of sexual exploitation may include, but are not limited to, the following:

Abraham Baldwin Agricultural College

1. Invasion of sexual privacy;
2. Prostituting another individual;
3. Non-consensual photos, video, or audio of sexual activity;
4. Non-consensual distribution of photo, video, or audio of sexual activity, even if the sexual activity or capturing of the activity was consensual;
5. Intentional observation of nonconsenting individuals who are partially undressed, naked, or engaged in sexual acts;
6. Knowingly transmitting an STD or HIV to another individual through sexual activity;
7. Intentionally and inappropriately exposing one's breasts, buttocks, groin, or genitals in non-consensual circumstances; and/or
8. Sexually-based bullying.

Sexual Harassment (Student on Student): Unwelcome verbal, nonverbal, or physical conduct based on sex (including gender stereotypes), determined by a Reasonable Person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to participate in or to benefit from an institutional education program or activity in violation of Title IX.

Sexual Harassment (Other than Student on Student): Unwelcome verbal, nonverbal, or physical conduct, based on sex (including gender stereotypes), that may be any of the following:

1. Implicitly or explicitly a term or condition of employment or status in a course, program, or activity;
2. A basis for employment or educational decisions; or
3. Is sufficiently severe, persistent, or pervasive to interfere with one's work or educational performance creating an intimidating, hostile, or offensive work or learning environment, or interfering with or limiting one's ability to participate in or to benefit from an institutional program or activity.

The USG also prohibits unwelcome conduct determined by a Reasonable Person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a USG education program or activity in violation of Title IX.

Sexual Misconduct: Includes, but is not limited to, such unwanted behavior as dating violence, domestic violence, nonconsensual sexual contact, nonconsensual sexual penetration, sexual exploitation, sexual harassment and stalking.

Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.

For the purposes of this definition:

1. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with person's property.
2. Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily, require medical or other professional treatment or counseling.

Reporting Sexual Misconduct

Reporting Sexual Misconduct

USG encourages the reporting of all Sexual Misconduct as soon as possible. While there is no statute of limitations on an institution's ability to respond to a report, the ability to respond diminishes with time as information and evidence may be more difficult to secure.

6.7.2 (A) Institutional Reports

An institutional report occurs when the institution has notice of a complaint. That notice occurs in two instances:

1. When a Responsible Employee receives a complaint; or
2. When the Title IX Coordinator or their designee receives a complaint.

Any individual may make a report, but the institution does not have notice of the report until information is known to a Responsible Employee or the Coordinator. The report may be made directly to the Coordinator in multiple formats to include: writing, email, phone, letter, fax, interview, or other method that provides the basis of the complaint of sexual misconduct. There is no specific information required to constitute a report; however, the report should contain as much information as can be provided. Reporting options should be included on the Title IX website.

Complainants, or anyone with knowledge of Sexual Misconduct, may file a report with a Responsible Employee or the Coordinator. That Responsible Employee must provide a complete reporting of all information known to them to the Coordinator. Responsible Employees informed about Sexual Misconduct allegations should not attempt to resolve the situation but must notify and report all relevant information to the Coordinator as soon as practicable.

Upon receipt of an institutional report, the Coordinator will contact the Complainant. That contact will discuss the availability of supportive measures, the invitation to discuss their wishes with respect to implementation of supportive measures, and explain the process of filing a complaint. An institutional report does not automatically prompt an investigation.

The Coordinator's identity and contact information shall be published by each institution prominently on the institution's website, as well as in any relevant publication. Each institution may choose to have Deputy Title IX Coordinators to whom reports may be made, as well.

The Coordinator shall notify the System Director of any allegation(s) of Sexual Misconduct that could, standing alone as reported, lead to the suspension or expulsion of the Respondent(s). The System Director will work with the institution to determine whether any support services or interim measure(s) are necessary and to assign an investigator who will work under the direction of the System Director or designee, if directed by System Director. If an allegation is not initially identified as one that would lead to the suspension or expulsion of the Respondent(s), but facts arise during the course of the investigation that could lead to the Respondent's suspension or expulsion, the Title IX Coordinator shall notify the System Director or designee. The System Director shall have the discretion to oversee the handling of the complaint.

6.7.2 (B) Confidential Reports

Confidential Employees or Privileged Employees may receive reports of Sexual -based Misconduct without the requirement to report that information to the Coordinator, except as dictated by law or professional standards. Upon request by the Complainant, Confidential Employees and Privilege Employees may make a report to the Coordinator within the degree of specificity dictated by the Complainant.

Nothing in this provision shall prevent an institution staff member who is otherwise obligated by law (i.e, the Clery Act) to report information or statistical data as required.

6.7.2.(C) Law Enforcement Reports

Because Sexual Misconduct may constitute criminal activity, a Complainant also has the option, should the Complainant so choose, of filing a report with campus or local police, for the Complainant's own protection and that of the surrounding community. The institution may assist the Complainant in reporting the situation to law enforcement officials. Filing a criminal report does not automatically constitute an institutional report.

6.7.2 (D) Anonymous Reports

Each institution shall provide a mechanism by which individuals can report incidents of alleged Sexual Misconduct anonymously. Individuals should understand, however, that it will be more difficult for the institution to respond and to take action upon anonymous reports.

6.7.2 (E) Complaint Consolidation

Each institution may consolidate complaints as to allegations of Sexual Misconduct against more than one Respondent, by more than one Complainant against one or more Respondents, or cross-complaints between parties, where the allegations of sexual misconduct arise out of the same facts or circumstances.

Parties shall have the opportunity to request or object to the consolidation; however, the institution shall have the authority to make the final determination. For the purpose of this Policy consolidation may occur during the investigation and/or the adjudication phases of the sexual misconduct process.

6.7.2 (F) Complaint Dismissal

Abraham Baldwin Agricultural College

Each institution is permitted, but not required, to dismiss complaints on the following grounds:

1. The alleged conduct, even if proved, would not constitute sexual misconduct;
2. The Complainant notifies the Coordinator in writing that they would like to withdraw the complaint;
3. The Respondent is no longer enrolled or employed by the institution; or
4. There are circumstances that prevent the institution from gathering evidence sufficient to reach a determination regarding the complaint.

The parties shall receive simultaneous written notice of the dismissal and the reason(s) for the dismissal. The parties shall have a right to appeal the institution's decision to dismiss the complaint.

6.7.2 (G) Retaliation

Anyone who has made a report or complaint, provided information, assisted, participated or refused to participate in any manner in the Sexual Misconduct Process, shall not be subjected to retaliation. Anyone who believes that they have been subjected to retaliation should immediately contact the Coordinator or their designee. Any person found to have engaged in retaliation in violation of this Policy shall be subject to disciplinary action.

6.7.2 (H) False Complaints

Individuals are prohibited from knowingly making false statements or knowingly submitting false information to a system or institution official. Any person found to have knowingly submitted false complaints, accusations, or statements, including during a hearing, in violation of this Policy shall be subject to appropriate disciplinary action (up to and including suspension or expulsion) and adjudicated under the appropriate institutional process.

6.7.2 (I) Amnesty

Individuals should be encouraged to come forward and to report Sexual Misconduct notwithstanding their choice to consume alcohol or to use drugs. Information reported by a student during an investigation concerning the consumption of drugs or alcohol will not be used against the particular student in a disciplinary proceeding or voluntarily reported to law enforcement; however, students may be provided with resources on drug and alcohol counseling and/or education, as appropriate. Nevertheless, these students may be required to meet with staff members in regard to the incident and may be required to participate in appropriate educational program(s). The required participation in an educational program under this amnesty procedure will not be considered a sanction.

Nothing in this amnesty provision shall prevent an institution staff member who is otherwise obligated by law (the Clery Act) to report information or statistical data as required.

6.7.3 Responding to Reports of Sexual Misconduct

6.7.3 (A) Support Services

Once the Title IX Coordinator has received information regarding an allegation of Sexual Misconduct the parties will be provided written information about support services. Support services are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without charge that are made available to the Complainant and Respondent before or after the filing of a complaint or where no complaint has been filed. Support services include counseling, advocacy, housing assistance, academic support, disability services, health and mental services, and other services, available at the student's institution. Available support services should also be listed on the institution's Title IX website.

6.7.3 (B) Interim Measures

Interim measures may be implemented at any point after the institution becomes aware of an allegation of sexual misconduct and should be designed to protect any student or other individual in the USG community. Such measures are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the campus community, or deter Sexual Misconduct and retaliation. Interim measures must be provided consistent with the provisions in applicable Board and institutional policies and procedures.

6.7.3 (C) Jurisdiction

Emergency removal should only occur where necessary to maintain safety and should be limited to those situations where the Respondent poses a serious and immediate danger or threat to persons or property. In making such an assessment, the institution should consider the existence of a significant risk to the health or safety of the Complainant or the campus community; the nature, duration, and severity of the risk; the probability of potential injury; and whether less restrictive means can be used to significantly mitigate the risk.

6.7.3 (D) Jurisdiction

Each USG institution shall take necessary and appropriate action to protect the safety and wellbeing of its community. Sexual misconduct allegedly committed is addressed by this Policy when the misconduct occurs on institution property, or at institution-sponsored or affiliated events, or off-campus, as defined by other Board or institution student conduct policies.

6.7.3 (E) Advisors

Abraham Baldwin Agricultural College

Both the Complainant and the Respondent, as parties to the matter, shall have the opportunity to use an advisor (who may or may not be an attorney) of the party's choosing at the party's own expense. The advisor may accompany the party to all meetings and may provide advice and counsel to their respective party throughout the Sexual Misconduct process, including providing questions, suggestions and guidance to the party, but may not actively participate in the process except as outlined in BOR 6.7.4 (D). All communication during the Sexual Misconduct process will be between the institution and the party and not the advisor. With the party's permission, the advisor may be copied on all communications.

6.7.3 (F) Informal Resolutions

Allegations of Sexual Misconduct may be resolved informally. The Complainant, the Respondent, and the institution must agree to engage in the informal resolution process and to the terms of the informal resolution. The Complainant(s) and the Respondent(s) have the option to end informal resolution discussions and request a formal process at any time before the terms of an informal resolution are reached. However, matters resolved informally shall not be appealable.

6.7.3 (G) Timeframe

Efforts will be made to complete the investigation and resolution within 120 business days. Temporary delays and limited extensions may be granted by the institutions for good cause throughout the investigation and resolution process. The parties will be informed in writing of any extension or delay and the applicable reason. The institution shall keep the parties informed of the status of the investigation.

6.7.4 Responding to Reports of Sexual Harassment Pursuant to Title IX

The implementing Title IX regulations require special handling of complaints of sexual harassment, as defined in the regulations and listed below. The following section outlines the required specialized handling of these matters that may differ from an institution's handling of Sexual Misconduct, as defined in this Policy. Unless expressly mentioned in this section, other provisions of this Policy shall apply to all alleged Sexual Misconduct.

Other Title IX sex-discrimination allegations are handled pursuant to other applicable Board and/or institutional policies.

6.7.4 (A) Definition of Sexual Harassment

Under Title IX sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee conditioning the provision of an aid, benefit, or service of the institution on an individual's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the institution's education program or activity; or
3. "Sexual assault" as defined by the Clery Act and "dating violence," "domestic violence," and "stalking" as defined by the VAWA Amendments.

6.7.4. (B) Jurisdiction

Alleged misconduct is addressed by Title IX when the misconduct occurs against a person in the United States on institution property, or at institution-sponsored or affiliated events where the institution exercises substantial control over both the Respondent and the context, or in buildings owned or controlled by a student organization that is officially recognized by the institution.

6.7.4 (C) Formal Complaints

A Formal Complaint is a written document filed by the Complainant or signed by the Coordinator alleging sexual harassment, as defined by Title IX and its implementing regulations, against a Respondent and requesting that the institution open an investigation. In order to file a Formal Complaint, the Complainant must be participating in or attempting to participate in the education program or activity of the institution occurring within the United States at the time of the filing.

6.7.4 (D) Informal Resolution

Formal Complaints may be resolved informally, except in the instance of an allegation by a student against an institution employee. The following must be met in order to proceed with the informal resolution process:

1. The parties have received written notice of the allegations
2. The parties have received written explanation of the informal process to include, but not limited to:
 1. Written agreement of the parties to initiate the informal resolution process;
 2. Written notice that the parties may withdraw from the process at any time prior to the agreement of the terms of the resolution;
 3. Written notice that the final resolution precludes any further institutional actions on the allegations
3. The institution has agreed to engage in the informal resolution process.

6.7.4 (E) Advisors

Abraham Baldwin Agricultural College

Both the Complainant and the Respondent, as parties to the matter, shall have the opportunity to use an advisor (who may or may not be an attorney) of the party's choosing. The advisor may accompany the party to all meetings and may provide advice and counsel to their respective party throughout the Sexual Misconduct process but may not actively participate in the process except to conduct cross-examination at the hearing. If a party chooses not to use an advisor during the investigation, the institution will provide an advisor for the purpose of conducting cross-examination on behalf of the relevant party.

All communication during the Sexual Misconduct process will be between the institution and the party and not the advisor. The institution will copy the party's advisor prior to the finalization of the investigation report when the institution provides the parties the right to inspect and review directly related information gathered during the investigation. With the party's permission, the advisor may be copied on all communications.

6.7.4.5 Investigations

All Sexual Misconduct investigations involving a student Respondent, shall follow the investigation process set forth in Section 4.6.5, Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings.

All Sexual Misconduct investigations involving an employee Respondent, shall be addressed utilizing Board and institutional employment policies and procedures.

6.7.5 Hearings, Possible Sanctions and Appeals

All Sexual Misconduct hearings, sanctions, and appeals involving a student Respondent, shall follow the hearing and resolution process set forth in this Policy and Section 4.6.5, Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings.

All Sexual Misconduct adjudication involving an employee Respondent, shall be addressed utilizing Board and institutional employment policies and procedures.

Policy & Programs to Prevent Drug & Alcohol Abuse

Policy & Programs to Prevent Drug & Alcohol Abuse

Alcohol and Drugs on Campus Policy

In accordance with Georgia laws governing the manufacture, sale, use, distribution, and possession of alcoholic beverages, illegal drugs, marijuana, controlled substances, or dangerous drugs on college campuses and elsewhere, including the Drug-Free Postsecondary Education Act of 1990, the Board of Regents encourages its institutions to adopt programs designed to increase awareness of the dangers involved in the use of alcoholic beverages, marijuana, or other illegal or dangerous drugs by University System of Georgia (USG) students and employees. Such programs shall stress individual responsibility related to the use of alcohol and drugs on and off the campus.

To assist in the implementation of such awareness programs and to enhance the enforcement of state laws at USG institutions, each institution shall adopt and disseminate comprehensive rules and regulations consistent with local, state, and federal laws concerning the manufacture, distribution, sale, possession, or use of alcoholic beverages, marijuana, controlled substances, or dangerous drugs on campus and at institutionally-approved events off campus.

Disciplinary sanctions for the violation of such rules and regulations shall be included as a part of each institution's disciplinary code of student conduct. Disciplinary sanctions for students convicted of a felony offense involving the manufacture, distribution, sale, possession, or use of marijuana, controlled substances, or other illegal or dangerous drugs shall include the forfeiture of academic credit and the temporary or permanent suspension or expulsion from the institution. All sanctions imposed by the institution shall be subject to review procedures authorized by Board of Regents' Policy on Application for Discretionary Review.

The rules and regulations adopted by each institution shall also provide for relief from disciplinary sanctions previously imposed against one whose convictions are subsequently overturned on appeal or otherwise.

To prevent the use of illicit drugs and the abuse of alcohol, the ABAC Student Code of Conduct prohibits the unlawful manufacture, distribution, sale, possession, or use of illicit drugs and alcohol by students on College property or as part of any College-related activities.

Health Risks

Abuse and dependence upon alcohol and other psychoactive drugs are classified as organic mental disorders by the American Psychiatric Association and the World Health Organization, and as such they are associated with distressing psychological, behavioral, and biological symptoms; impairment in one or more important areas of functioning; or significantly increased risk of suffering, death, pain, or important loss of freedom.

Counseling Services

The Student Development Center provides individual counseling to ABAC students for substance abuse and other personal concerns. There is no charge for this service. Clients are informed of the nature and purpose of any assessment, treatment, educational or training procedure and are given freedom of choice with regard to participation. When the Student Development Center is not able to provide the necessary services, clients are informed of alternative resources and appropriate referrals are made.

To the extent permitted by law and ethical standards, all information received in counseling is considered confidential and is not disclosed to any other person or campus unit without the written permission of the clients.

In matters of student discipline, the Student Development staff may provide assessment and consultative services to clients, colleagues, or units of the College in ways which improve the campus environment, maintain the anonymity of clients, and preserve the confidential nature of all counseling relationships.

Education

The College provides alcohol and sexual assault education through EVERFI, an online course. This training is designed to assist students in making appropriate choices with respect to alcohol use.

Sanctions

In addition to possible fines and imprisonment for violation of local, state, and federal drug and alcohol laws, students are subject to sanctions under the ABAC Student Code of Conduct for violation of policies governing alcohol and other drugs. These sanctions may include but are not limited to fines, community service, mandatory courses on drug and alcohol abuse, parental notification, probation, and suspension or expulsion from the College. The following policies of the Board of Regents of the University System of Georgia also apply to ABAC students who violate drug and alcohol policy: Section

4.6.1 of the Board of Regents Policy Manual states the following:

The Board of Regents has determined that the use of marijuana, controlled substances or other illegal or dangerous drugs constitutes a serious threat to the public health, welfare, and academic achievement of students enrolled in the University System of Georgia. Therefore, all student organizations, including but not limited to societies, fraternities, sororities, clubs, and similar groups of students which are affiliated with,

Abraham Baldwin Agricultural College

recognized by, or which use the facilities under the jurisdiction of institutions of the University System, are hereby charged with the responsibility of enforcing compliance with local, state and federal laws by all persons attending or participating in their respective functions and affairs, social or otherwise.

As provided by the Student Organization Responsibility for Drug Abuse Act, any such student organization which, through its officers, agents or responsible members, knowingly permits, authorizes or condones the manufacture, sale, distribution, possession, serving, consumption or use of marijuana, controlled substances, or other illegal or dangerous drugs at any affair, function, or activity of such student organization, social or otherwise, is hereby declared to be in violation of the laws of this state and shall have its recognition as a student organization withdrawn and, after complying with the constitutional requirements of due process, shall be expelled from the campus for a minimum of one

calendar year from the date of determination of guilt.

Such organization shall also be prohibited from using any property or facilities of the institution for a period of at least one (1) year. Any lease, rental agreement or other document between the Board of Regents or the institution and the student organization which relates to the use of the property leased, rented or occupied shall be terminated for knowingly having permitted or authorized the unlawful actions described above.

All sanctions imposed by this policy shall be subject to review procedures authorized by the Board of Regents Policy 8.6 Application for Discretionary Review (BOR Minutes, Feb. 2015)

An appeal to the Board of Regents shall not defer the effective date of the adverse action against the student organization pending the Board's review unless the Board so directs. Any such stay or suspension by the Board shall expire as of the date of the Board's final decision on the matter (BOR Minutes, 1989-90, p. 384).

This Policy amendment is intended to implement The Student Organization Responsibility for Drug Abuse Act of 1990.

Disciplinary sanctions for students convicted of a felony offense involving the manufacture, distribution, sale, possession or use of marijuana, controlled substances or other illegal or dangerous drugs, shall include the forfeiture of academic credit and the temporary or permanent suspension or expulsion from the institution. All sanctions imposed by the institution shall be subject to review procedures authorized by BOR Policy 8.6 Application for Discretionary Review (BOR Policy Manual 4.6.4, BOR Minutes, Feb. 2015)

Academic Freedom Policy

Academic Freedom Policy

ABAC subscribes to the “1940 Statement of Principles on Academic Freedom and Tenure” published by the American Association of University Professors. With respect to academic freedom and related responsibilities, these principles are as follows:

- The purpose of this statement is to promote public understanding and support of academic freedom and tenure and agreement upon procedures to assure them in colleges and universities. Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher or the institution as a whole. The common good depends upon the free search for truth and its free exposition.
- Academic freedom is essential to these purposes and applies to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights.
- Teachers are entitled to full freedom in research and in the publication of the results, subject to the adequate performance of their other academic duties; but research for pecuniary return should be based upon an understanding with the authorities of the institution.
- Teachers are entitled to freedom in the classroom in discussing their subject, but they should be careful not to introduce into their teaching controversial matter which has no relation to their subject. Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.
- College and university teachers are citizens, members of a learned profession, and officers of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they should remember that the public may judge their profession and their institution by their utterances. Hence, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not speaking for the institution.
- In the classroom, faculty members should make every effort to create an environment in which intellectual diversity is valued and students have the assurance that they will not be penalized for expressing opinions or beliefs that differ from others' views.
- Students who feel they have been penalized because of expressed opinions or beliefs have the right to file a formal written complaint to this effect with the appropriate school dean. The complaint will be investigated and a determination will be made as to whether disciplinary action is necessary. If students remain unsatisfied with the outcome of the investigation, they have the right to appeal in writing to the Provost and Vice President for Academic Affairs.
